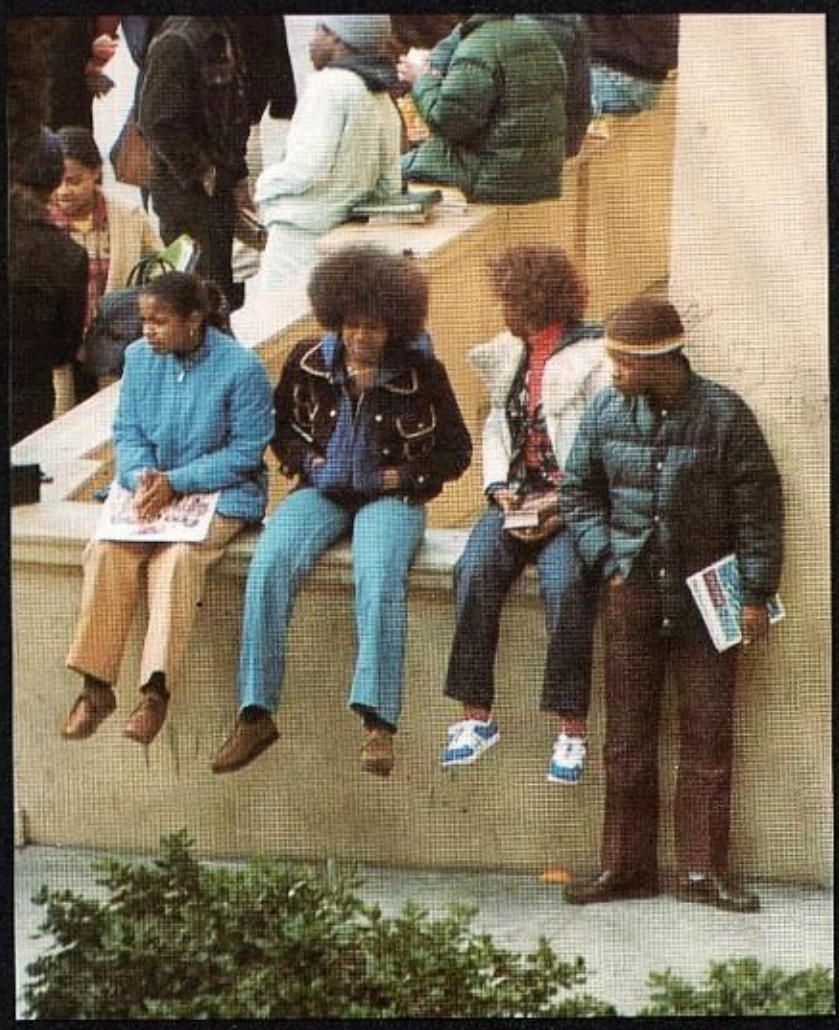
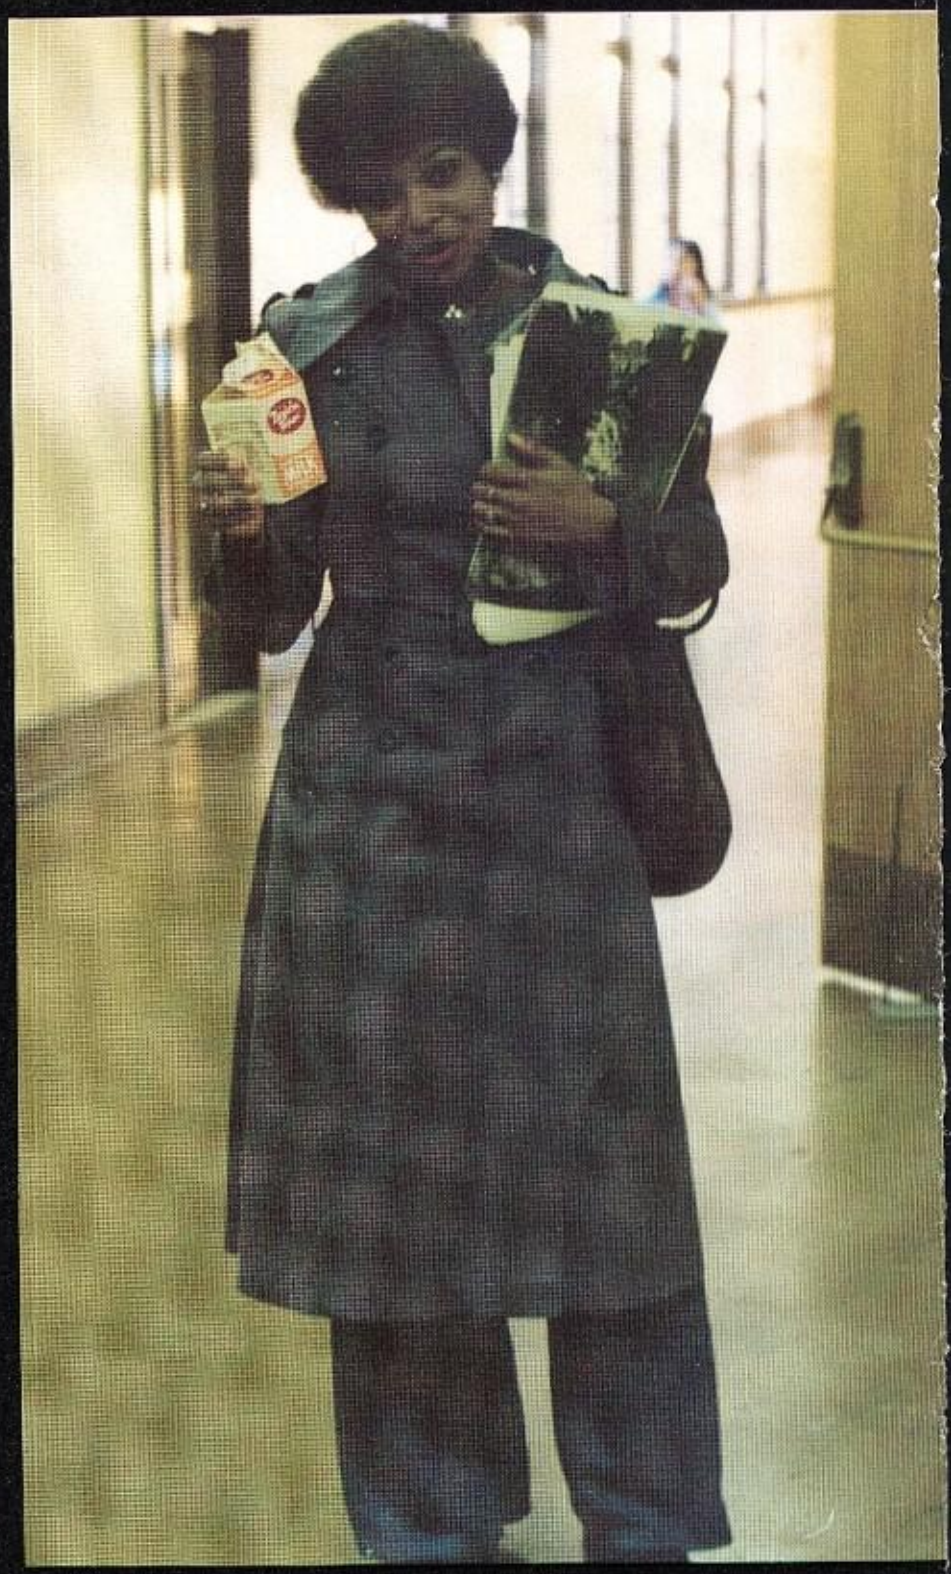
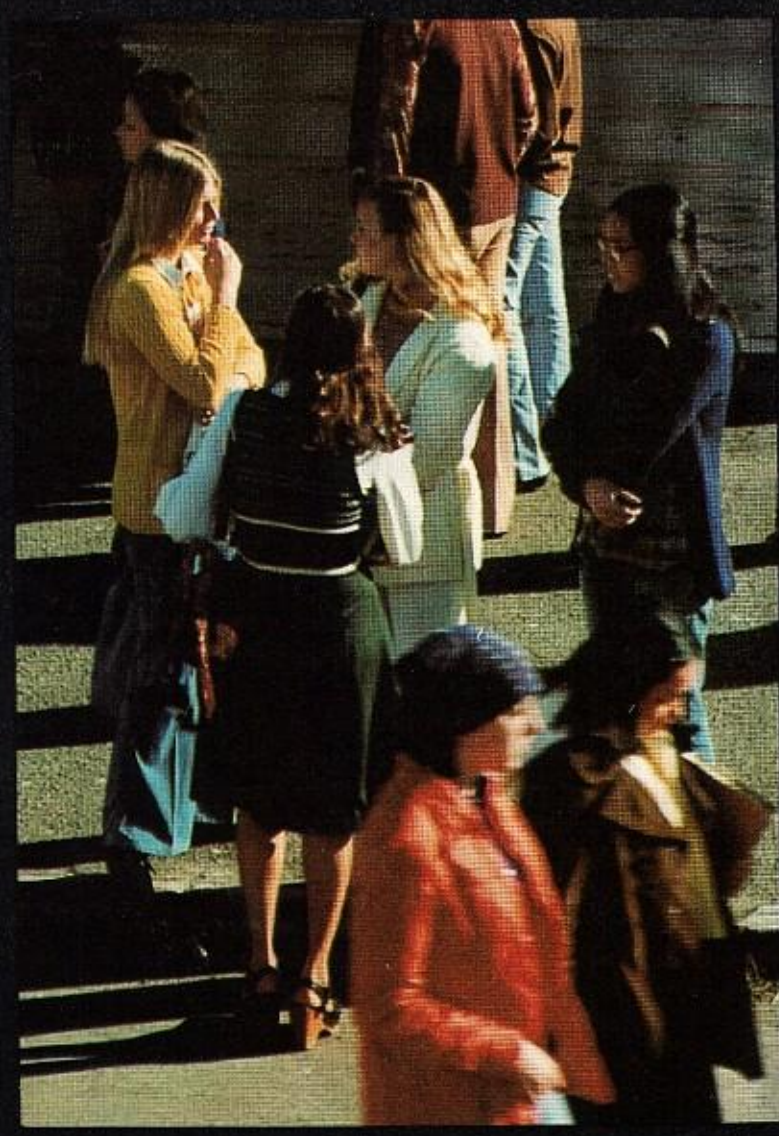
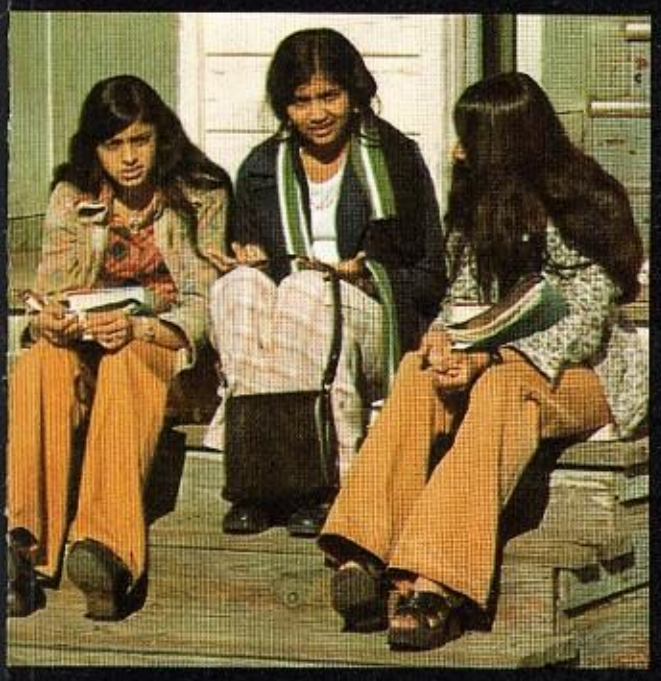
'Spirit' of '76

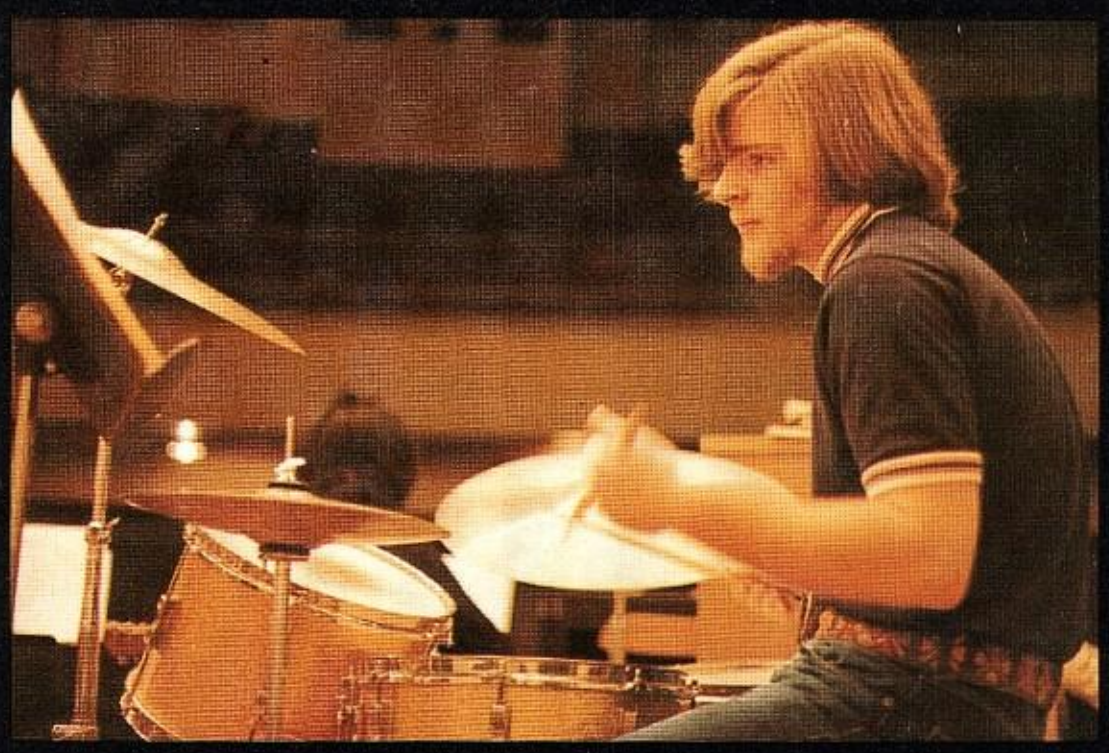








VAN NESS



Homecoming Queen candidates: Ivy Low, Georgia Espino, Yvonne Geli

The thirty-first annual song and yell contest at Galileo High School was held on Sept. 26, 1975. This is a rivlary between the seniors, junior and sophomore classes to determine who has the most school spirit.

A distinguished panel of five judges including two former principals of Galileo judged the classes on a three point scale. Judging was made on the following events: (a) The Big G and Lions Whisper yells, (b) singing of Galileos' Hymn and Fight song (c) performing of a skit (d) Appearance and courtesy and (e) extra points given for outstanding sales of dance and football tickets and student body cards.

This year, for one of the few times the Juniors captured first prize by a narrow margin.

Another event is the crowning of the elected home-coming queen. Here the seniors triumphed as senior Yvonne Geli won the honor.

Student Body President, Paula Lobe

Lettergirls: G-Karen Young, A-Allyn Hayes, L-Yolanda Lacey, I-Nancy Tarantino, L-Kathy Lewis, E-Jeanette Bachelor, O-Cassandra Hicks

Varsity Song Girls (Left to Right): Margaret Bitoon, Susan Gong, Arlene Venegas, Danice

Homecoming Queen -- Yvonne Geli

Senior Song Girls: (Top) Juliet Barba, Michelle McClure, (Middle) Margaret Bitoon, Evelyn Cual, Betty Chun, (Bottom) Susan Lee, Sherrie Spangler

Student Body Officers: Pres.: Paula Lobe, Boys V.P.: Steven Low; Girls V.P.: Elizabeth Lee, Secretary: Nora Wong, Treasurer: Doris Randolph, Historian: Darice Jeong

Junior Song Girls and Yell Leaders; (1st Row, Song Girls) Josephine Cual, Elena Lee, Gloria So, Julie Hing, Mrs. Haynie (sponser), Georgia Espino, Leslie Yip, Elizabeth Nobleza. (2nd Row, Yell Leaders) Jennie Lim, Rosie Hom, Marian Kung, Peggy Hepa, Doris Lee, Rulan Tom

Rausse, Renee Michaelis, Pamela Parks

Sophomore Song Girls and Yell Leaders: (Left to Right) Kim Beecham, Nedra Blake, Alice Lee, Gretta Rausse, Mitzie Pon, Diana Podula, Nancy Young, Diana Castillo, Melanie Pon, Melanie Lee, Jenny Weddrick, Melva Holmes, Cathy Checketts, Charita Allen, La Quita Scales

Senior-Olympic "1976" at starting line

Junior-Birdman and Robin going down sunset strip

Sophomore-"Jaws" ate up seniors and juniors

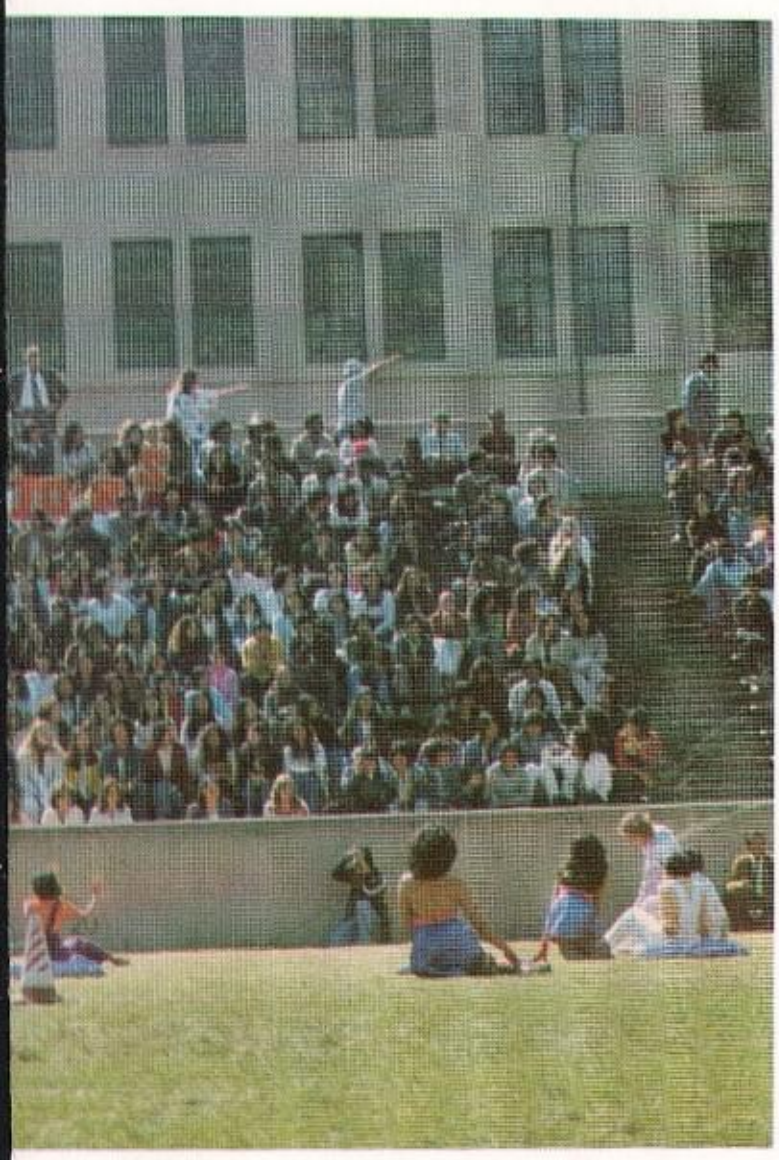
Sam Kossoff with song girls and yell leaders leading the seniors

Senior Crowd

Sophomore Section

Junior Mob

Mary Lee, Charles Choy, Sandra Fong, Enrique Kabahit, Daniel Arnot, Randy Booth, Sam Kossoff, Way Chan



Senior Song Girls

Juniors winning. This is only the third time the junior class has won.

Principal's Farewell Message

Dear Galileans,

I can hardly believe that our school year 1975-1976 is over. It seemed like it was just yesterday we were struggling to get the fall semester going. Time truly waits for no one; therefore, you must make the most of your years all through life. I sincerely hope that the graduates did everything possible to prepare themselves for their chosen goal. Realize your potentials and seek out life to the fullest. I wish you find happiness and the ability to share it. The staff and I truly appreciate your patience and cooperations. It wasn't easy with the split campus and double session situation. Thank goodness we're all through with that! This coming school year we'll be returning to our single campus and a regular session-And to those of you returning, continue to work hard and be ready to take your place in life. We are all more than willing and able to help you. Take pride in your school and that will be the first step in the right direction.

Good Luck-

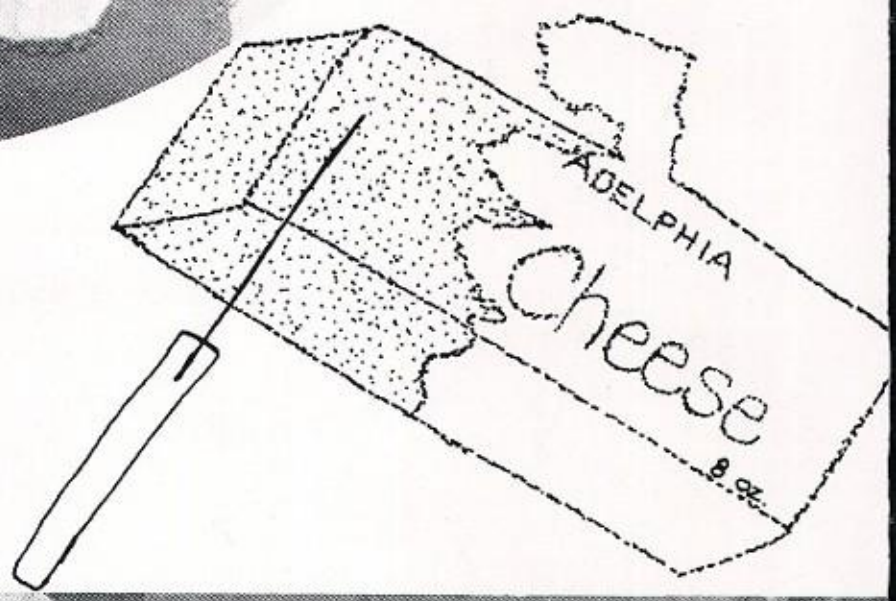
we've got the

This year the Seniors went nuts over bagels-they had many bagel sales and as well as being a good fund raiser, they were great to eat!



For the Christmas decorating contest - the Seniors excelled in cutting numerous designs and posting them all over the 3rd floor.

spirit

Yvonne Tom with heart cookies from Valentines Day sale.

Hey, everybody, we made it, we're Seniors! And we made the best of it too, with multi-activities and fund raisers. Among the great moments were the Prom, Great America, the bagel sales, dances, the Spring Festival and car washes. In these next few pages we'll attempt to show you some glimpses into this power-packed year!

Everyone lends a hand in cleaning a little Pinto.

Above and Below: Everyone getting in on the fun!

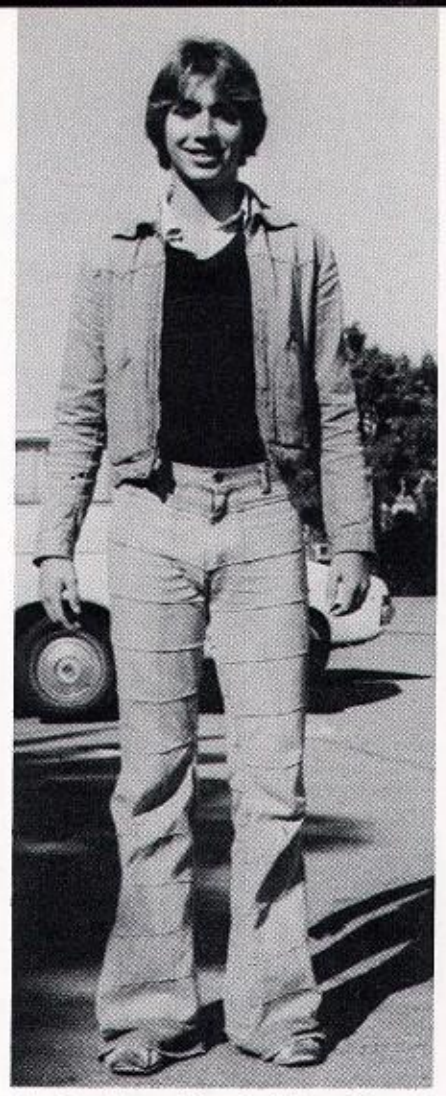
For a little extra money, we would even do the insides!

(Smile, Mike!)

senior class

As every machine needs a driving force so a class needs a force to set it in motion. The present senior class was fortunate to have such a force in the person of President Yvonne Tom. The entire senior class should be grateful to Yvonne for the fine job she did in arranging and supervising the many varied and worthwhile senior events and activities that the class enjoyed. Besides giving much of her time and energy to making the class of 76's life more enjoyable she also was a member of the Chinese Culture Club, Silver Seal, Girl's Council, French Club, and the Executive Council. Yvonne was also an alternate to Girl's State and served on the Board of Directors of the Alumni Association of Galileo as a student representative. We at Galileo first want to say "Thanks Yvonne" and may every senior class be fortunate enough to have such leadership.

Yvonne Tom - Class President

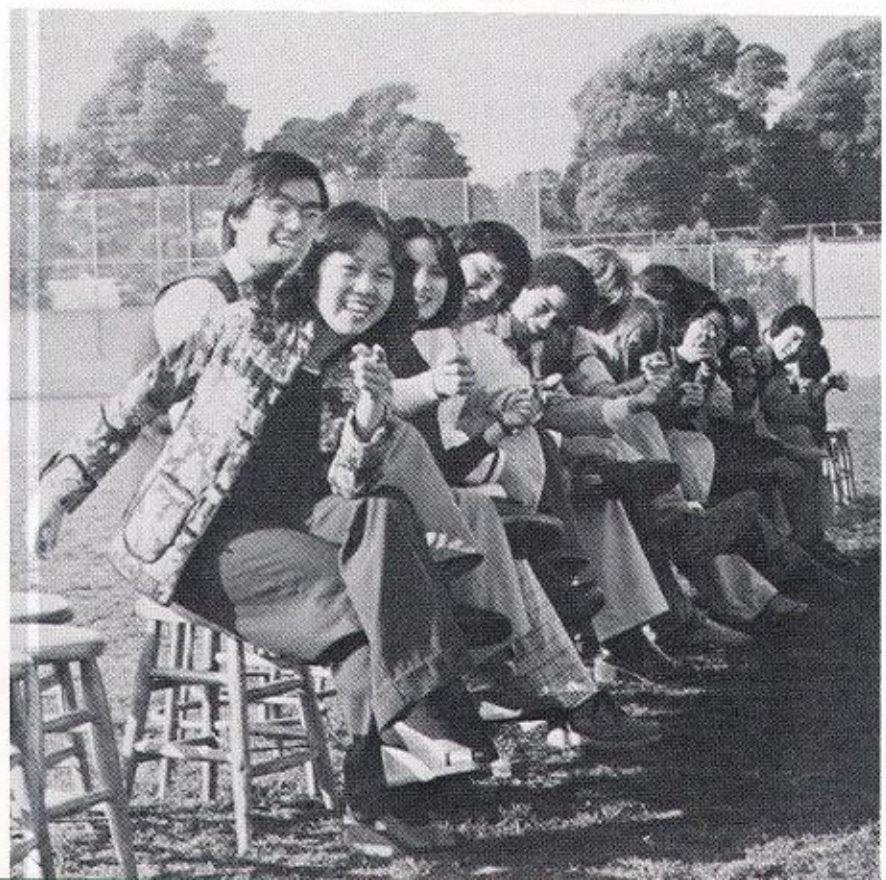


Randy Booth - Boy's Vice President

Just as every class needs a motor to get it going (this one had Yvonne) it must also have those arms from the motor that transport the energy to the working parts or as in this case to the class. Randy was one of those arms. As Boy's Vice President he moved the energy along and made the class run. Specifically he was chairman of the Disneyland Trip, The Song and Yell Contest, and the Senior Prom. Because of his work they were all successful. He was never too busy or tired to do more than his part.

Another one of the motor arms that helped rally and organize the class. As Girl's Vice President she took charge of the money raisin activities which are so important to a graduating class. These included the money class sales such as buttons, tickets to the prom, senior production and car washes. Because of our split schedule and campus it was necessary that Donna be available at many times of the day so tickets would be available to the class. One could find her at the bank window before and after school and during nutrition most any day. Through her efforts activities reached more of the class than was thought possible.

Donna Jung - Girl's Vice President



The job of secretary of Gal's senior class was particularly difficult this year. Besides the usual keeping of meeting notes and correspondence. Harriet's job was complicated by the up dating of Gal's past alumni list. This was important because of our rededication ceremony this year and the need to reach as many of the schools graduates as possible. This Harriet did with the skill of a "pro". Thanks, Harriet we sure needed that.

Harriet Lem - Class Secretary

cabinet

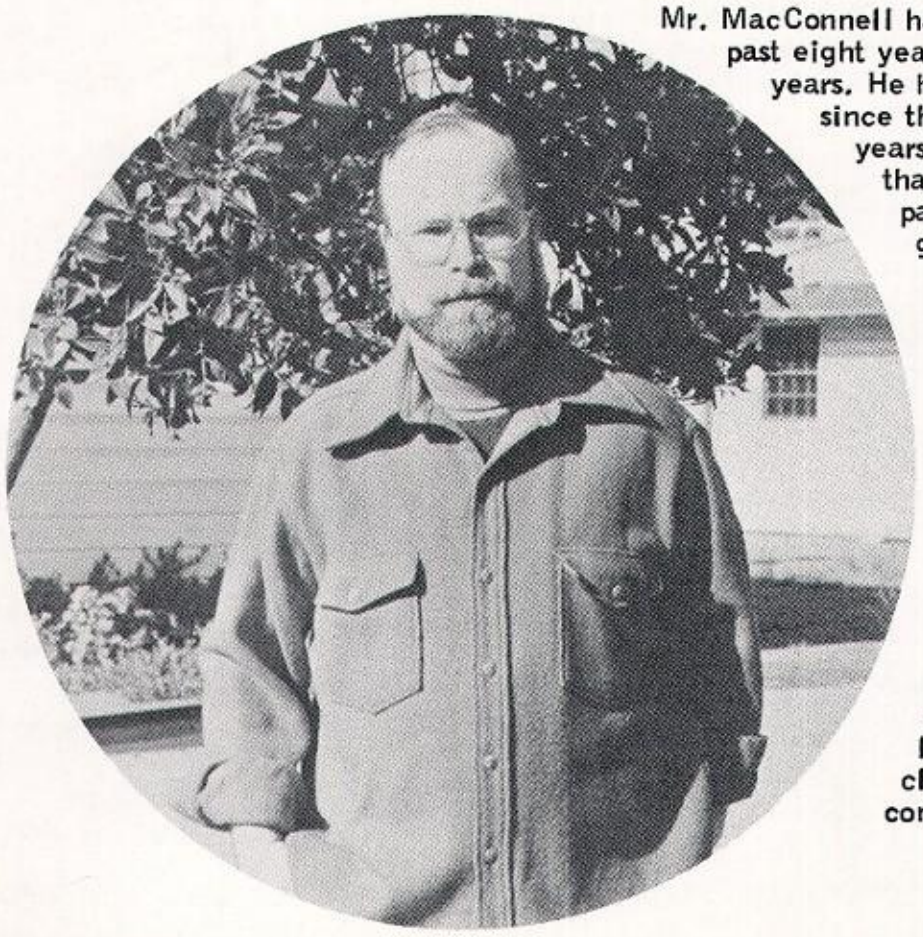
Mary Lee - Class Treasurer

Now here is the person to know. This young lady is known as the "money lady" i.e. the Senior Class treasurer. Her position is really one of responsibility. With over 600 seniors in the class, Mary handled and kept tract of thousands of dollars. From senior prom tickets to Disneyland arrangements. She kept all the records as well as doing all the banking. There never was a single error discovered the entire year. Mary also found time to be a member of the Chinese Culture Club, Reg. Representative in the Student Senate and member of the Executive Council.

Bobby Nietes - Class Historian

Bobby was elected historian and no better choice could have been made. Besides keeping the complete historical record of the class, he was deeply involved in the planning of our successful fun day to the new amusement park called "Great America". Bobby was also active in other activities such as Leo Club President, member of the forensics team, worked on the school newspaper and served in the Student Senate.

Mr. Rod MacConnell - Advisor



Mr. MacConnell has been an art instructor at Galileo for the past eight years and in San Francisco schools for fifteen years. He has been advisor to the present senior class since they were sophomores. During the past three years Mr. MacConnell has always told the class that he was only an "advisor" and that the major part of the planning and carrying out of the groups activities were the responsibility of the class and especially their elected officers. It has turned out to be good advice as in our sophomore year President Don Stoneham was able to bring the class together while in the junior year President Dana Chu continued Don's good work and put together an outstanding move-up dance. We believe Mr. MacConnell's advice will serve us well in years to come.

Susan Lee - Class Spirit Leader

We had the spirit and thats because we had Susan Lee as our spirit leader. Her official title was head senior song girl in "spirit leader" better describes her job. She leads the class at rallies and during the song and yell contest.

Turnabout Day is one of those days where students are Teachers and Teachers are students. Even Counselors have their own turnabouters. Students, teachers, counselors all have fun on this day. Homework, which of course is given daily, may just not be given on this day. It's just one of those fun events that happen once a year. Who whould want to miss out on it?

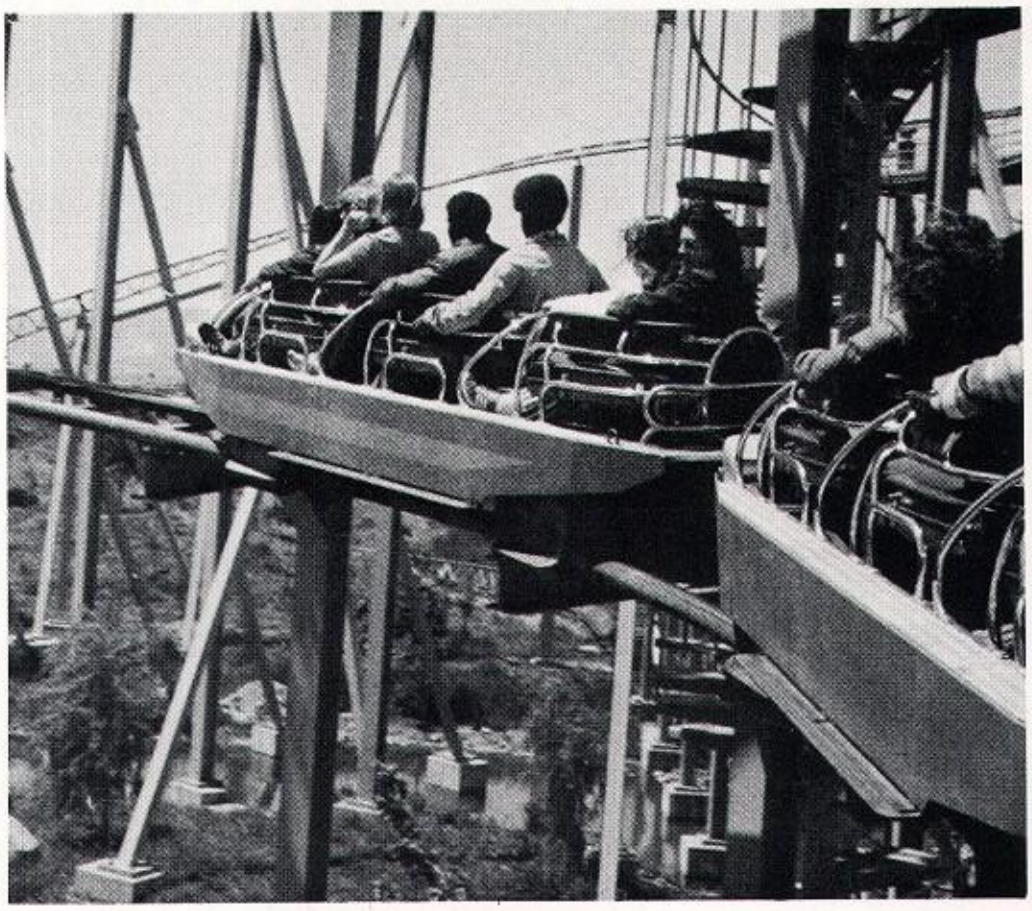
BOARDING PASS

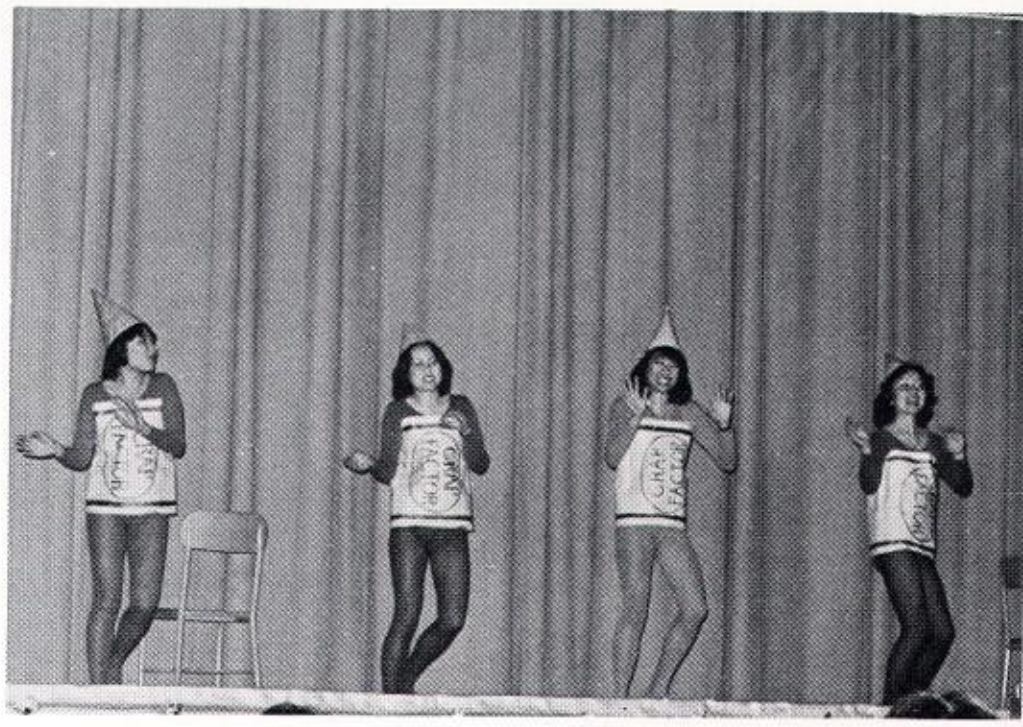
☐ Departing time from Galileo - 9:00 AM
☐ Departing time from Great America - 5:00 PM

No. 72 **NAME** Calvin Chin
REG. AA7

Great America is a new amusement park located in Santa Clara County. Galileo was one of the first schools to schedule a senior activity at the park. Since it has been open it has set all types of attendance records and appears to be a new "Disneyland" for northern California.



Randy Booth, Director, "Let the show begin"



Mary Tong, Mary Lee, Leticia Gee, Yvonne Tom "The four crayons"

1976
Senior Production
"Cabaret"

GENERAL ADMISSION: 75¢
AT DOOR: $1.00

NO._____

FRIDAY, JANUARY 16
7:30-- 9:00
AUDITORIUM
DANCE FOLLOWING IN
GIRLS' GYM

Kathy Gilmer, Jesse Mah "Hello Dolly"

Susan Gong, Evelyn Cual, Renee Michaelis, Kathy Gilmer watching the show.

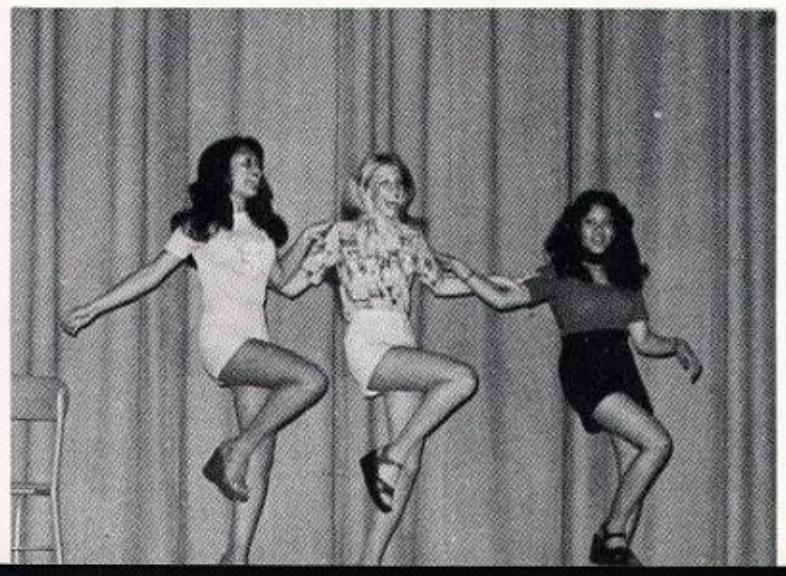
Susan Gong "Let's do it again"

Mary Zinmeister, Kathy Gilmer, Vickie Kite, Tina Blodgett, Cindy Rowe - "Pretty maids on the road"

Cheryl Hill sings "One more time"

Renee Michaelis, Pam Parks, Arlene Venegas "Mission Impossible"

Illithia "Butch" Morris "Sing it again"

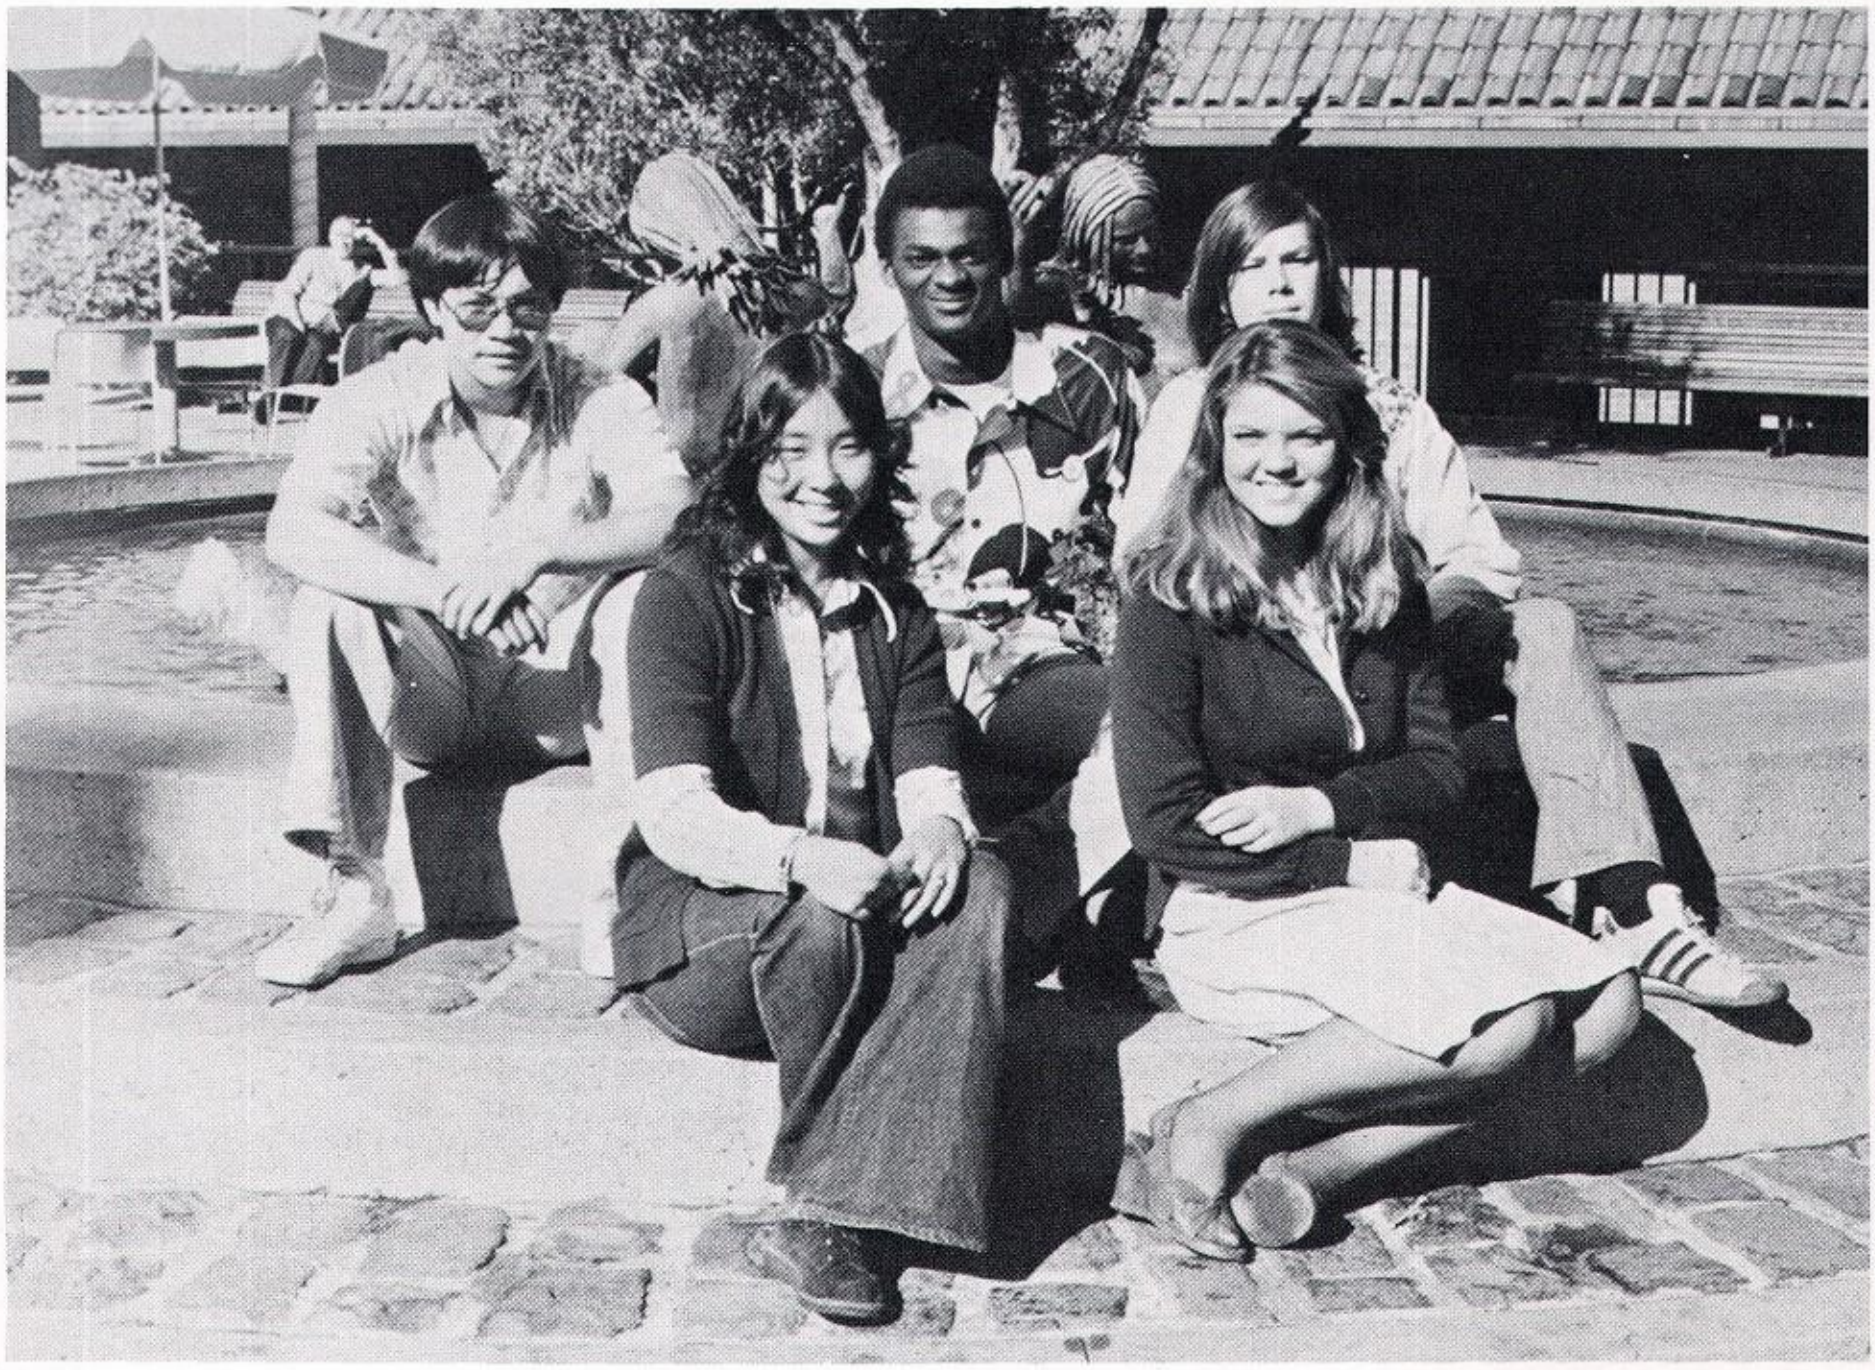


Arlene Venegas, Renee Michaelis, Juliet Barba "We've got short shorts"

The 1976 Senior Production "Cabaret" was enjoyed by fellow students and parents. This great event featured a combination of music, dance, vocal solo and comedy. The production was based on the famous motion picture "Cabaret" with many of the same songs and costumes.

The Do'ers

Class Of '77



Back Row: Vice President-Timmy Ginn, President-Thomas Martin, Treasurer-Douglas Dexter Front Row: Historian-Doris Lee, Secretary-Kathy Gilmer

The Class of '77 started the school year off right by winning the Song-'n-Yell contest in September. Under the leadership of President Tommy Martin, this class is one of the most spirited that Galileo has ever had. With the help of sponsors: Mrs. Haynie, Mr. Donohue and Lt. Stewart and officers: VP-Timothy Ginn, Secretary-Kathy Gilmer, Treasurer-Douglas Dexter and Historian Doris Lee, sales have been going on productively. During the months of September to December the Juniors have had a turkey raffle, a carwash, sold "Galileo High School" pennants and have had several bake sales. In addition, with the help of the Boys Block "G" and "ROTC", they have had a "Beat the Bucs" button sale and a candy sale. During the Spring of '76 they had a Junior class button sale, a St. Patricks Day raffle, a chow mein sale, Easter candy gram, bagel sale and a iris sale for Valentines Day. At the rate at they're going, they will have a very successful senior year.

EUGENE WING
ADVISOR

GRETTA RAUSSE
PRESIDENT

The sophomore class, about 650 strong, comes primarily from Marina, Francisco, Potrero Hill and Benjamin Franklin. If one wanted to use one word to characterize the class it would be "diverse". We have a great diversity of cultural, social and ethnic backgrounds as well as academic interest.

The year was marked by two types of activities: fund raising and just plain fun. Included in the fund raising activities was a sophomore class button, mistletoe, and T-shirt sale. The fun activities were a Valentine dance, a sporty day of competition, and a class picnic at Santa Cruz.

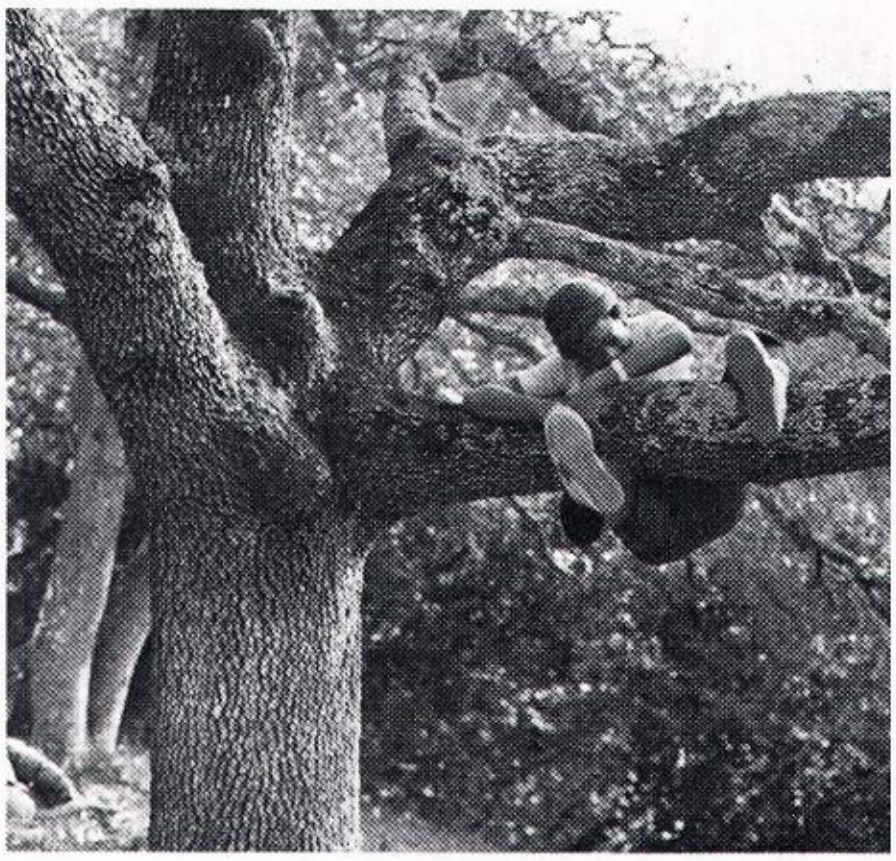
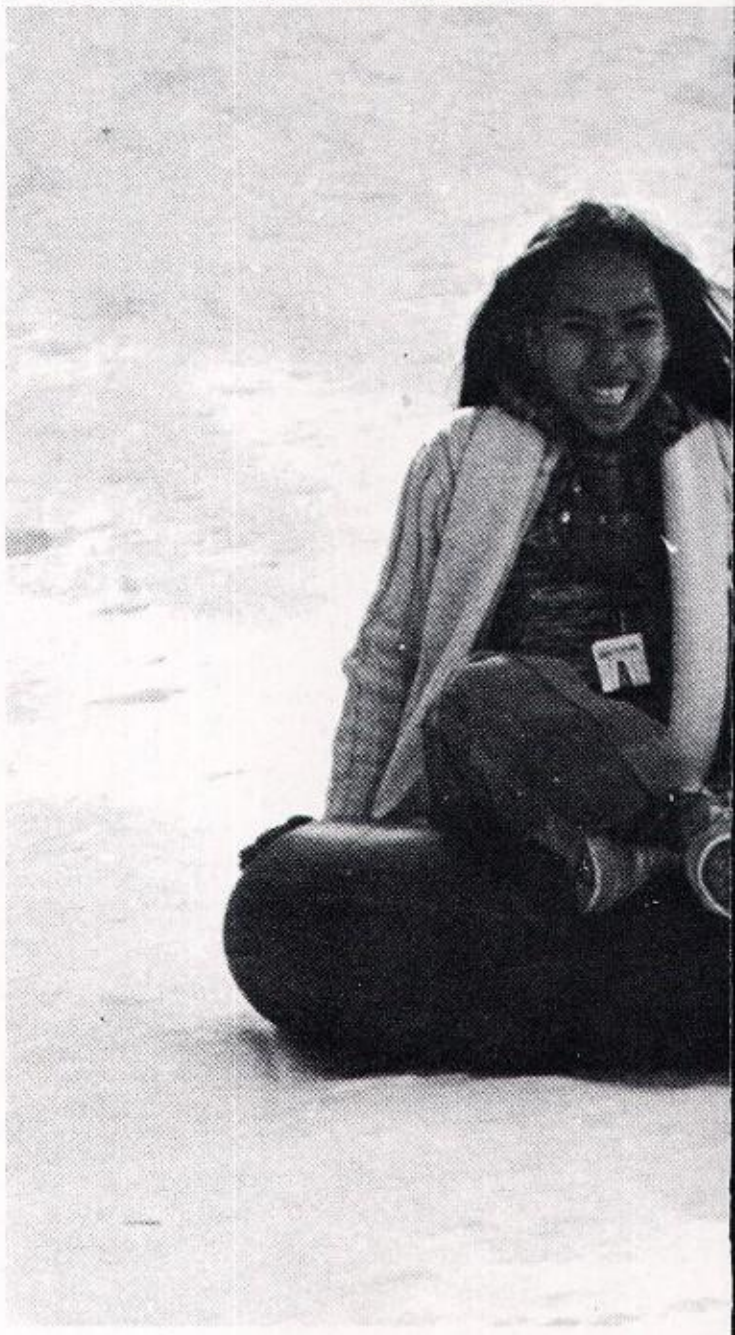
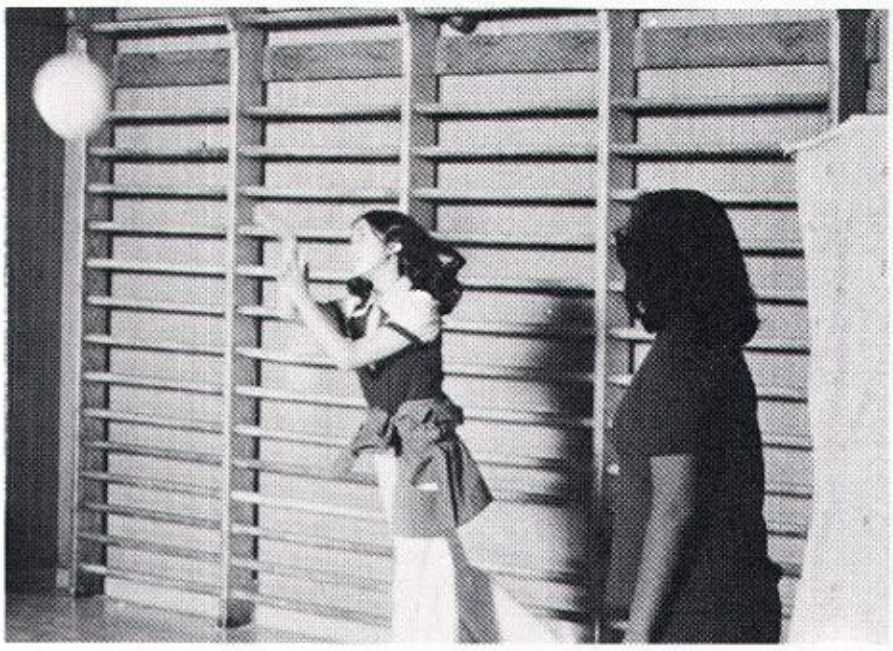
sophomore activities

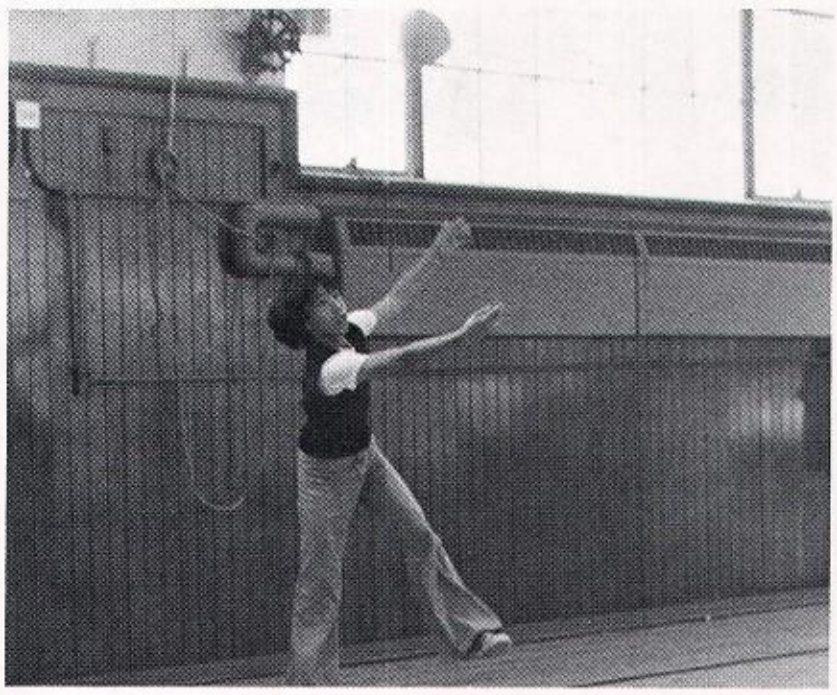
off to a great start



As with the class itself the one word to describe the Sophomore activities this year is "diverse". The class was one of the most active and spirited Gal has had in many years. Not alone did they do many things but a great many people participated. Many times it turns out that only a few of the class do the work and participated but with the present sophomore class this was not the case.





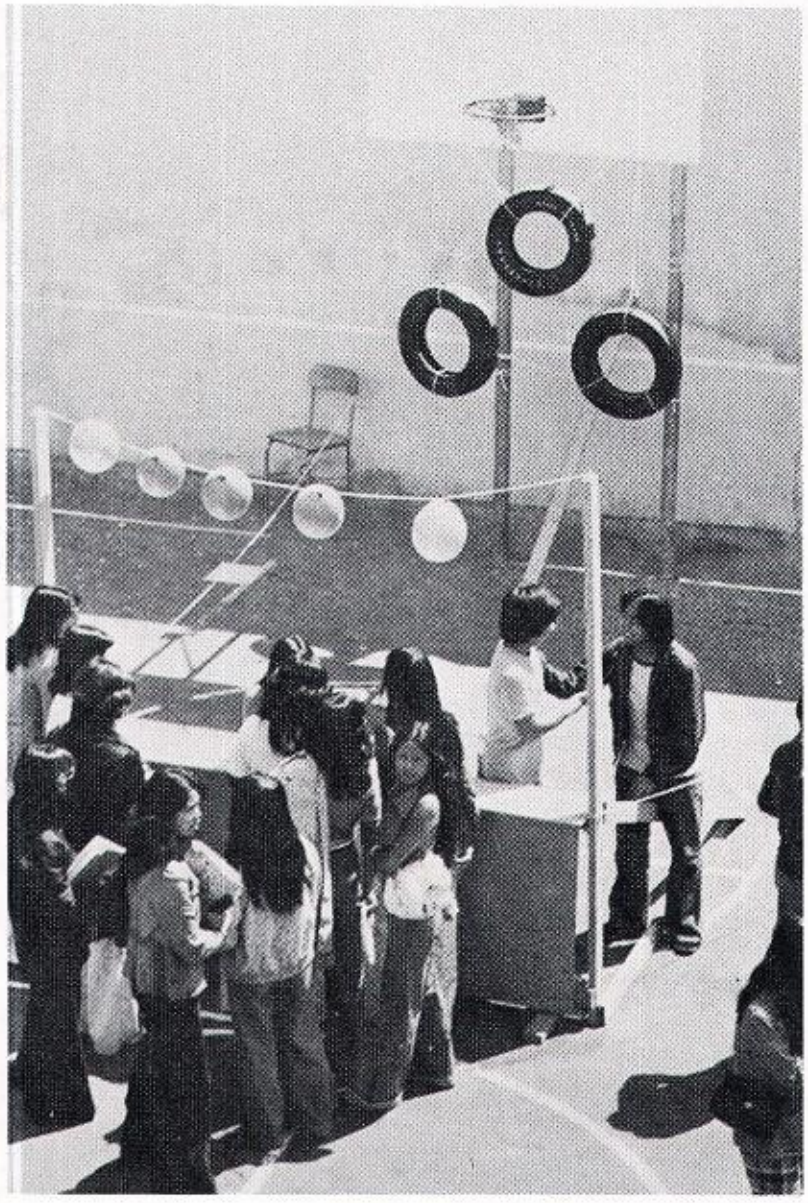


The activities included a Christmas party preceded by a mistletoe gathering hunt; an all day snow trip to Lake Tahoe, a sports night in the girls gym in which various sophomore groups competed against each other, a highly successful dance, and last but not least, a T-shirt sale.

As sophomores they were good, as juniors they will be great and as seniors the class will be SENSATIONAL.

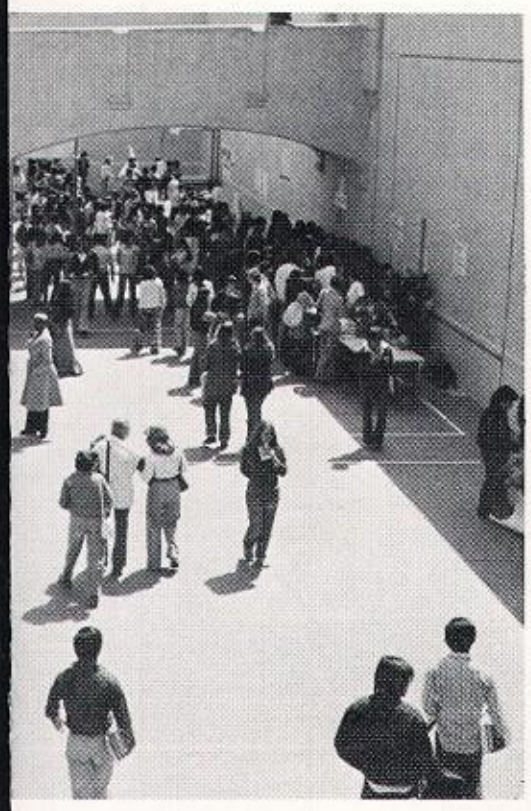
spring festival

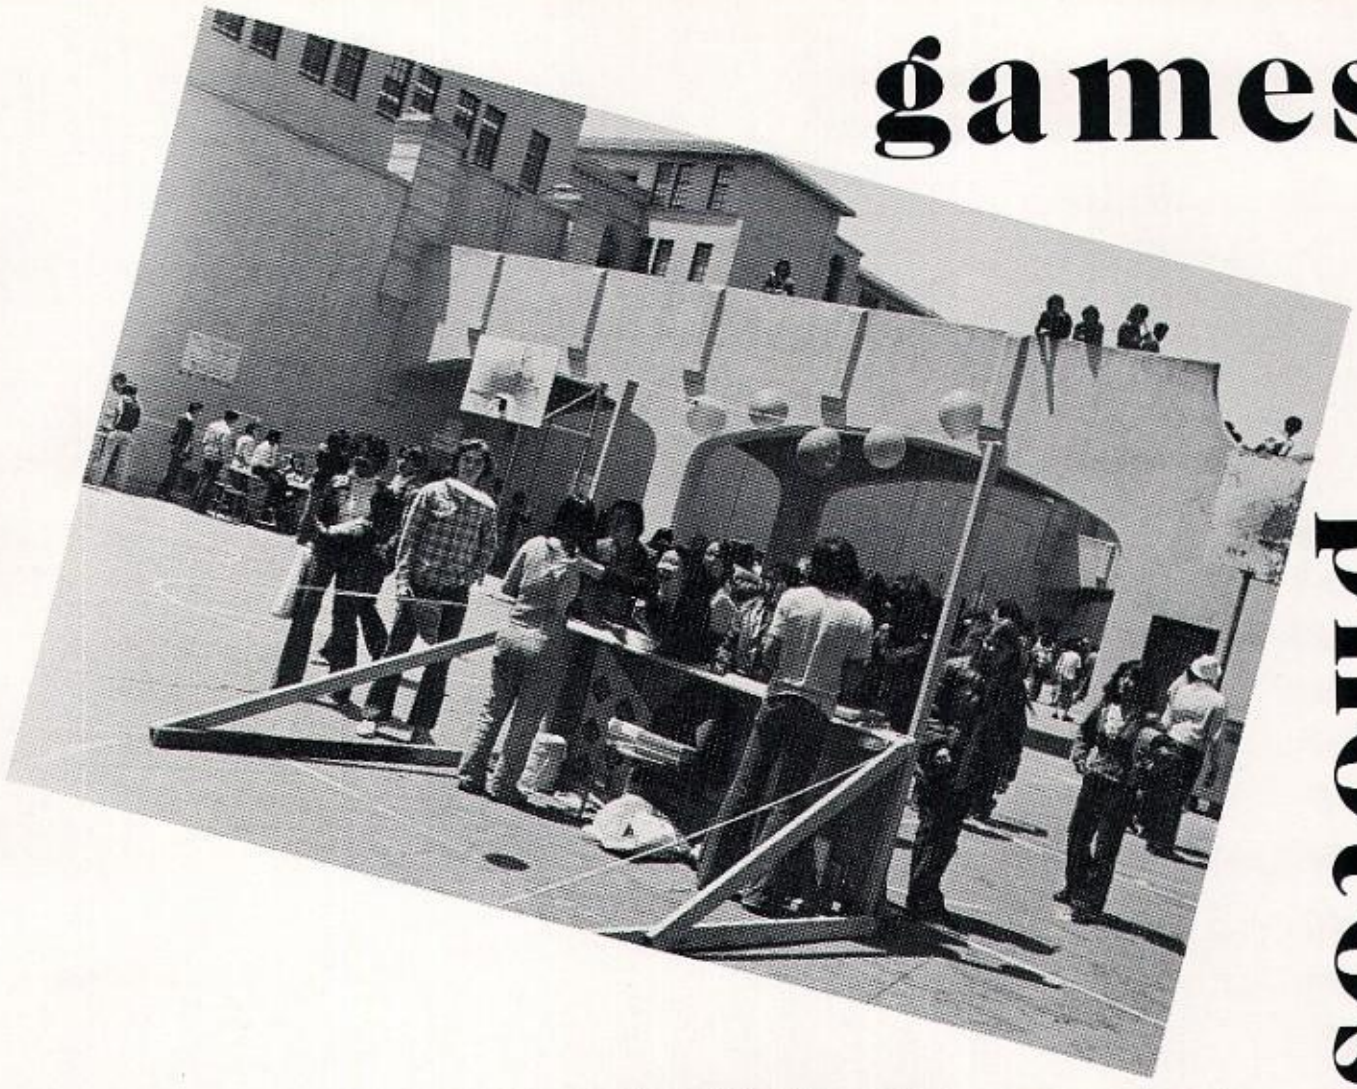
food

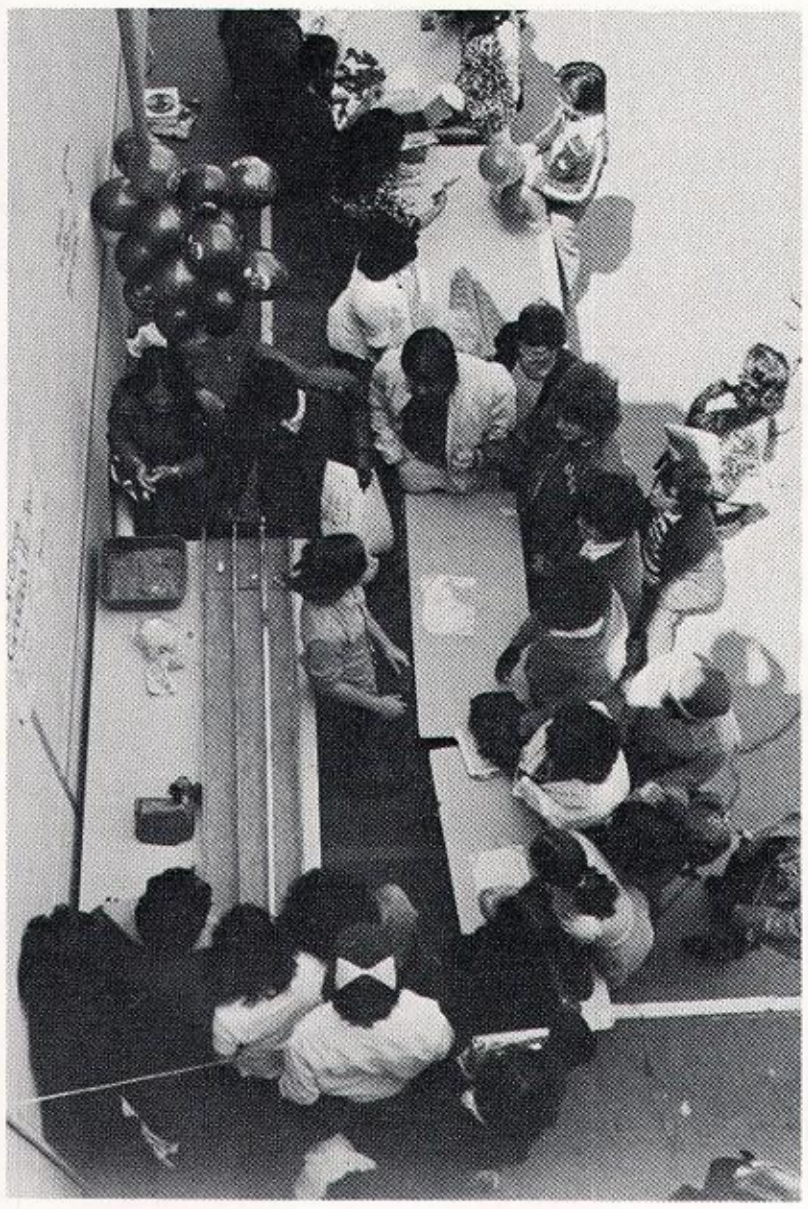


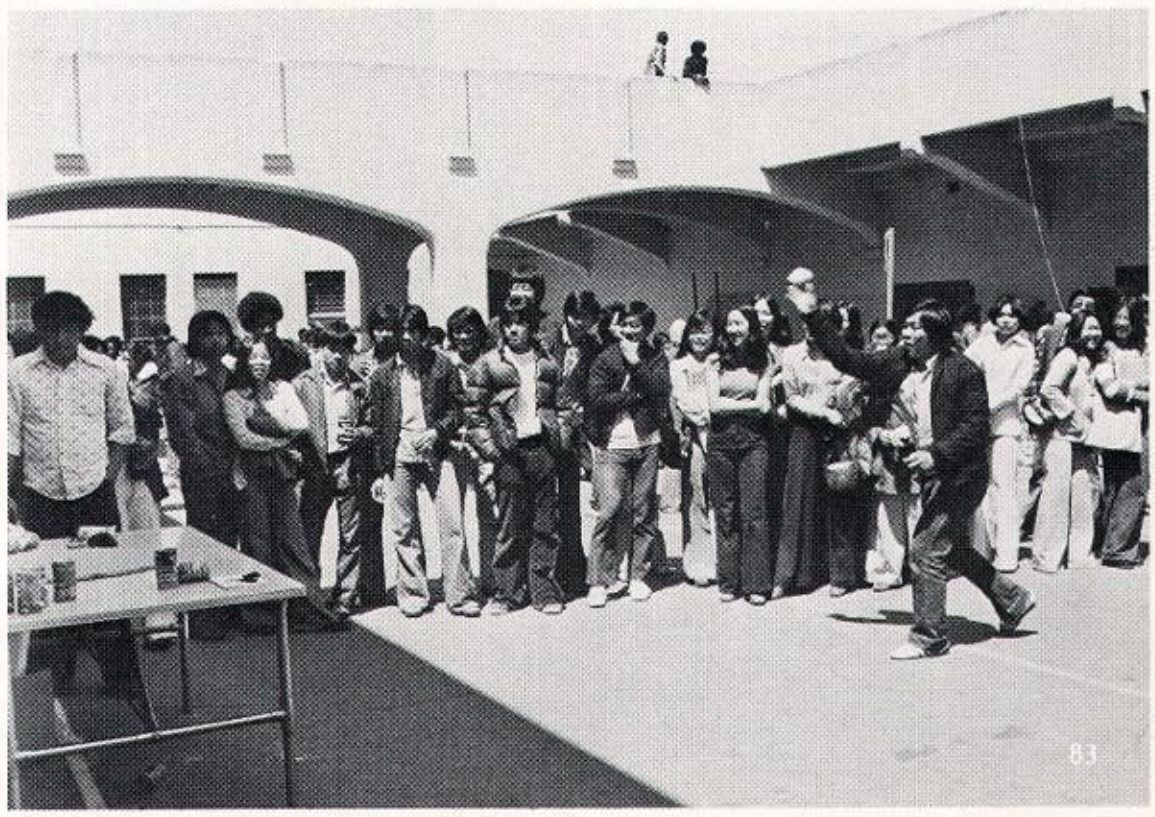
CLASSES WERE DISMISSED FOR HALF-DAY IN MAY SO THAT THE ENTIRE SCHOOL COULD ATTEND THE ANNUAL SPRING FESTIVAL WHICH HAS BEEN ONE OF GALILEO'S GREAT TRADITION. ALL THE ORGANIZED GROUPS AND CLUBS ON CAMPUS SET UP BOOTHS FEATURING GAMES, FOOD, PHOTO BUTTONS, ETC. WITH PERFECT WEATHER HUNDREDS OF GALILEANS HAD A GREAT TIME.

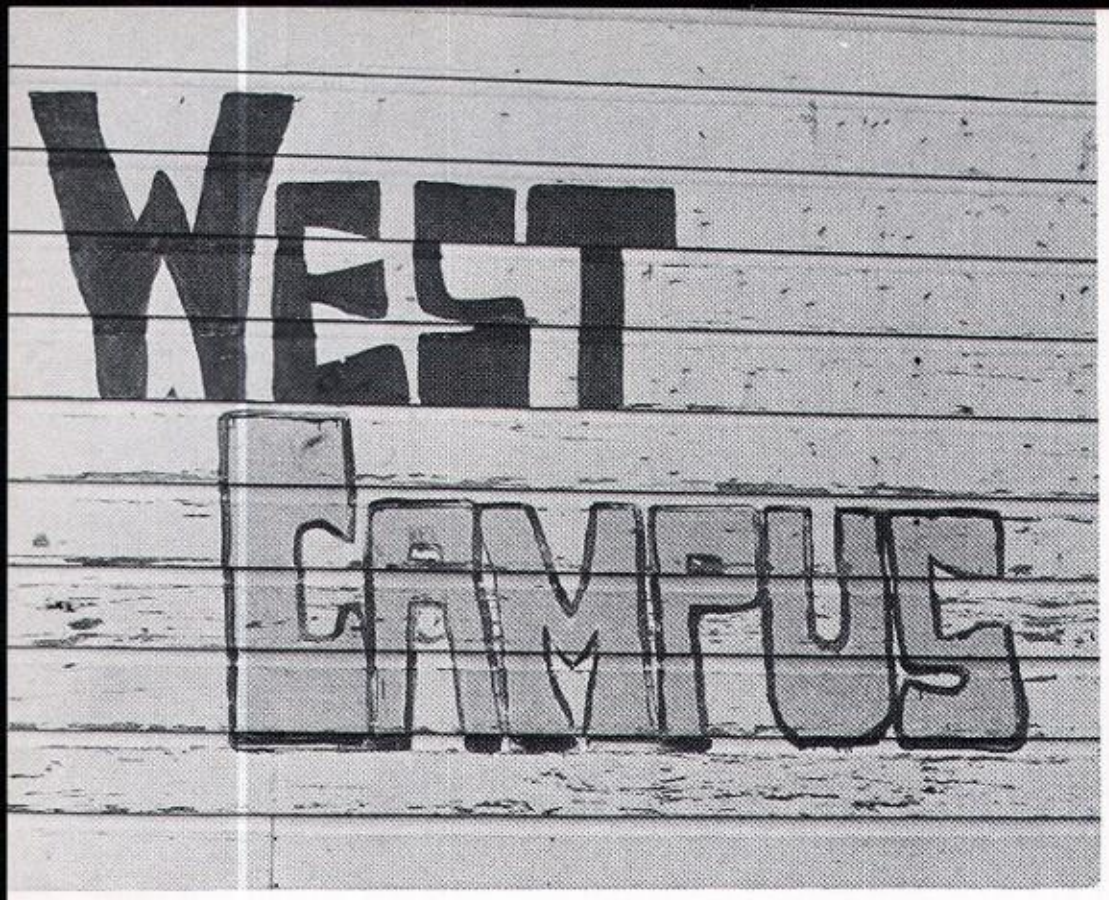
games photos





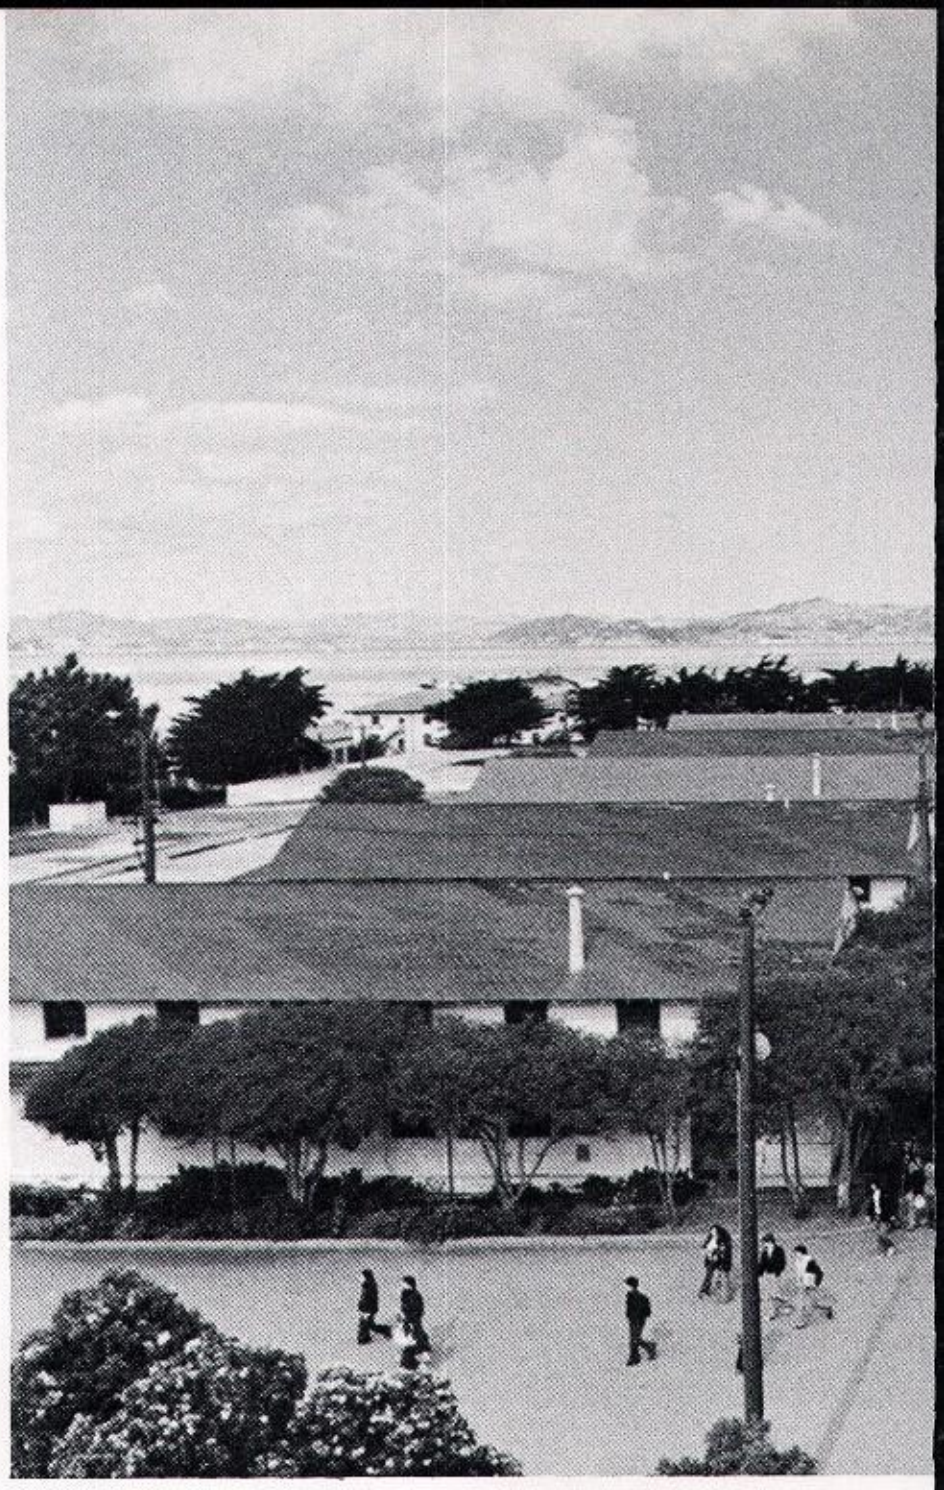






Mr. Cohn tardy for class.

The WEST CAMPUS's very own vegetable garden.

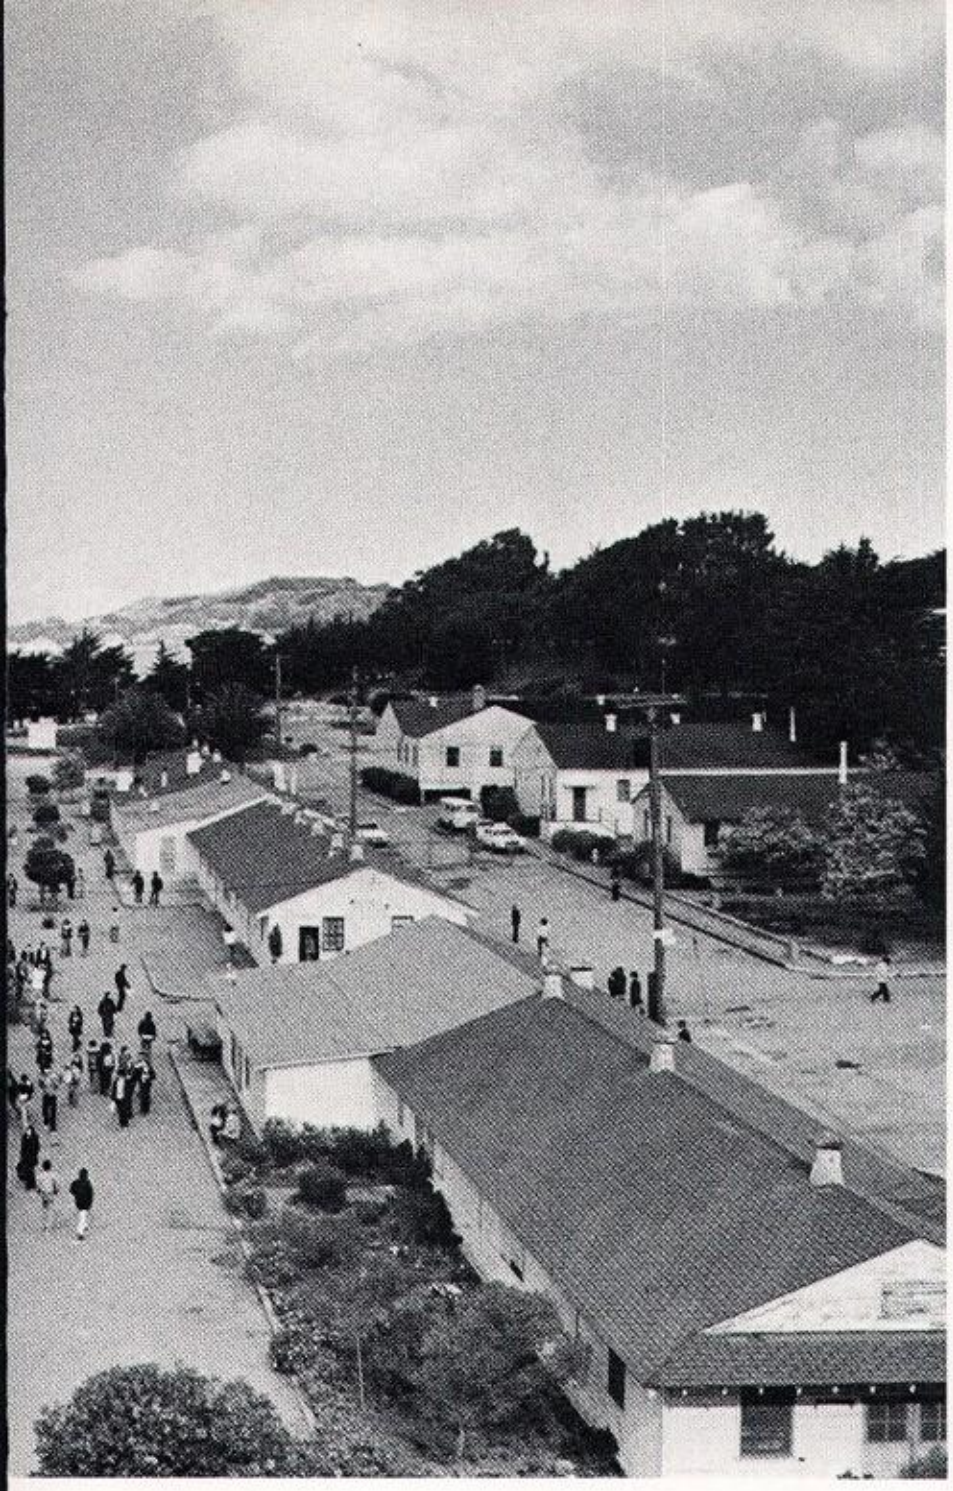


An overhead view of the West Campus.

The main Galileo building at Bay and Van Ness was built in 1925 to comfortably accommodate about 1800 students. In 1964 the enrollment of our school exceeded that number and more space was needed. One proposal was to bus students for certain periods to an elementary school in North Beach. It was more feasible to use some of the old Army barracks at Fort Mason. Influence was exerted in Washington D.C. and in the spring of 1964, Galileo was allowed to use 4 buildings at Fort Mason. These were the first four buildings as you look directly north from the entrance at Octavia St. Mr. James Kearney, now Principal of Lowell was the first administrator at what came to be known as the West Campus of Galileo High School. The first classes held there were English and History classes for the 11th grade and there were about 6 faculty members teaching there. When Mr. Kearney was reassigned to the central office, Mr. Paul Lucey now an asst. principal at Lowell and Mr. Leslie Burke now Principal of Lincoln each served one term at the West Campus.

Due to increased immigration and other factors, enrollment at Galileo reached 2900 by 1967. Mr. James K. Donohue went to the West Campus as administrator at that time and has remained ever since. In programming it became easier to program the 10th grade to the West Campus since 10th grade students usually take a number of the same subjects (Biology, Algebra, English, Driver Ed. etc). This cut down the amount of moving to and from the Main building for other classes. It is a 10 minute walk. Thus, the Science Dept. and the Math dept. had classes at the West Campus.

In 1970, Mr. Kearney, then the Principal of Galileo petitioned through Mayor Alioto the government in Washington to release further buildings to the school. In particular the school wanted the 5th barrack as you look straight ahead from the entrance and some other buildings to the



Galileans beautifying the campus.

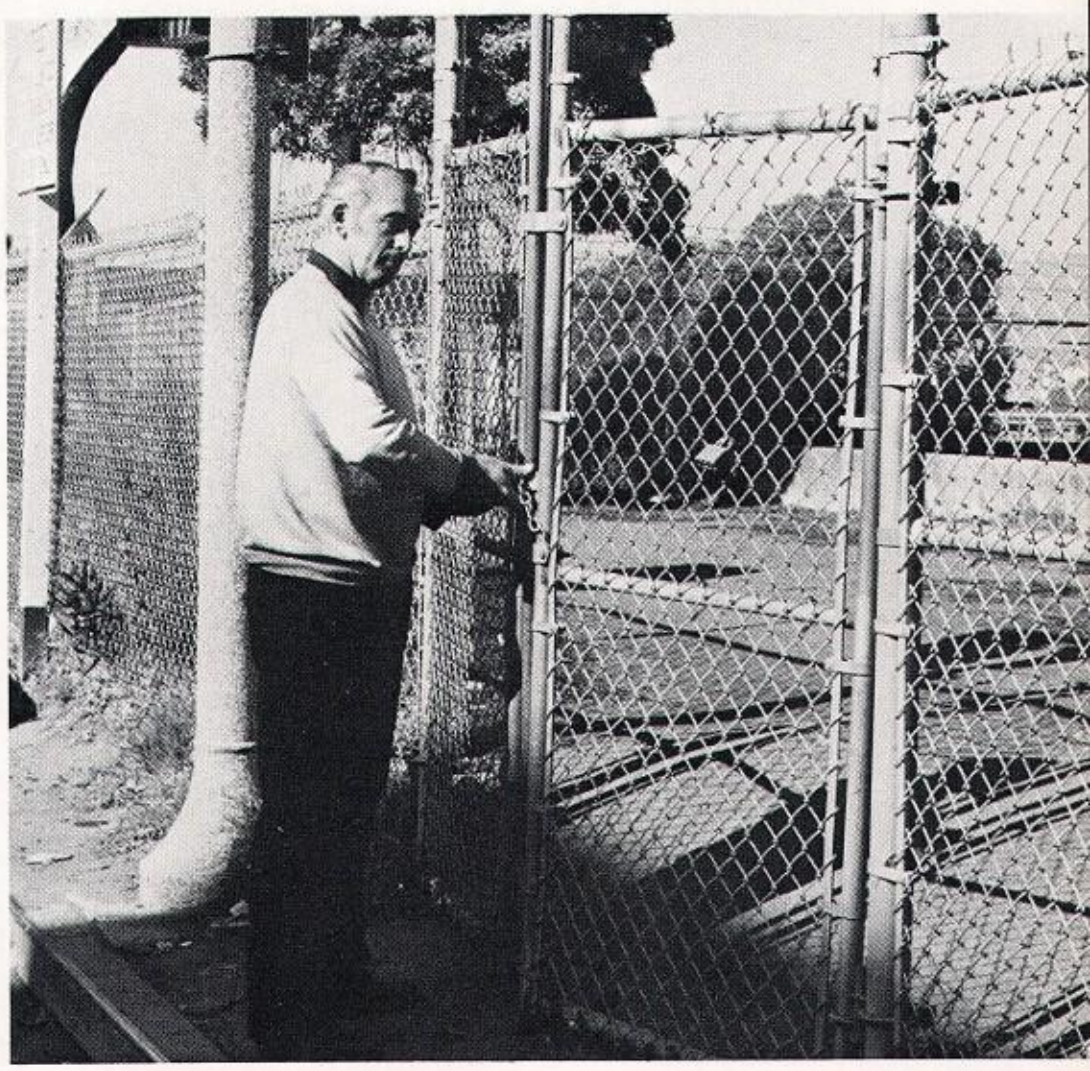
north of the present campus which were being used by the Adult school at that time. The school did receive the 5th barrack which was used by the Science Dept. then and now by the Journalism classes. The school also received the old Army kitchen building, the former bowling alley and the Post theater. These buildings were renovated into classrooms, the ones that we know today as A8 through A16, the ROTC building and A18 & A19. Home Economics occupied the kitchen which is now used by the Art Dept. The fences surrounding the campus had to be uprooted and replanted since it was the agreement between the school district and the Army that students would not be on the Fort Mason property itself. The only official passage to classes at the West Campus was along the south side of Bay Street.

In 1971 the main Galileo buildings at Bay and Van Ness were condemned as being earthquake hazards. First, the Van Ness building was renovated and so Science/Drivers Education, Home Economics, and Industrial Arts moved West. Then the Polk street building was renovated and Business, Art and the remaining English and Social Studies classes moved. Building 141 was acquired. There were over 50 teachers.

The West Campus was intended as a temporary facility in 1964 and was not planned to last very long. No buzzer system was installed until 1970 and during the early years, classes were dismissed by the use of a hand bell.

The Golden Gate National Recreation District has taken over Fort Mason and wishes to obtain the Galileo property for recreational purposes. When they took over, the Recreation district negotiated a new contract with the school district which allows us to stay until July 31, 1976.

Since the Galileo enrollment is slightly over 2100 it is going to be a tight fit back into the Main Building. But since the contract expired, we must move, and Goodbye West Campus!



Custodian Jose Lorono locks up the WEST CAMPUS for the last time.

adventurers

ayh

The American Youth Hostal Club was started in 1965 and is sponsored by Mr. Nathan Schafler. In addition to the club's regular activities, there are four annual events: rafting on the American or Feather River; skiing at Lake Tahoe; a hayride in Mantica; and camping at Point Reyes.

Community projects including VD educational activities and recycling paper and cans for conservation were also done by the club. With a combination of pleasure, fun, and serious activities it was to no one's surprise that this club was one of the most successful and sought after on campus.

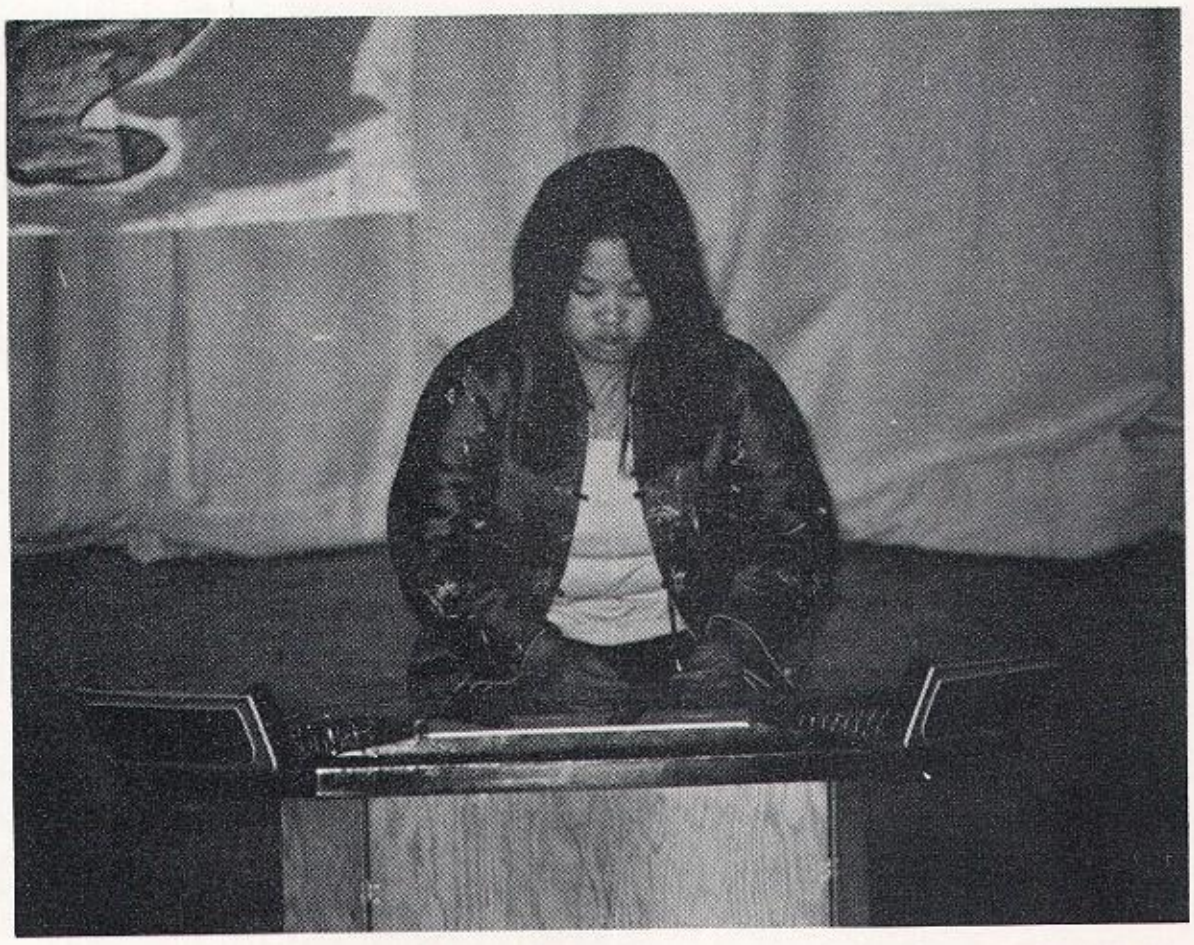
chinese cultural club

The Chinese Culture Club started off this year with 40 active members under the leadership of Thomas Shea. Some major projects were: Chinese translation in an elementary school during the Teacher and Parent Conference meetings; setting up a Christmas party for 700 kids at Holiday Inn; organizing a Chinese New Year assembly for the school; and repainting the benches in the Courtyard in honor of the School's Rededication. Some social activities included picnics, barbecues, and dances. The Club concluded the year with a Chinese banquet.



people-culture

françias

The Spanish and French clubs consists of students from each of the foreign language classes.

Everyone has been very active in each of the clubs with fund raising activities such as bake sales. Both clubs are trying to raise enough money to have a special ethnic dinner. The Clubs also attempt through field trips to gain insight into the culture they are studying. As an example, Pictured Below, is the Spanish club visiting a Spanish museum in the city.

No group pictures were available because of Galileo's split schedule-split campus but everyone is pitching in to make this a successful term. Fun activities are included with their serious business of raising money.

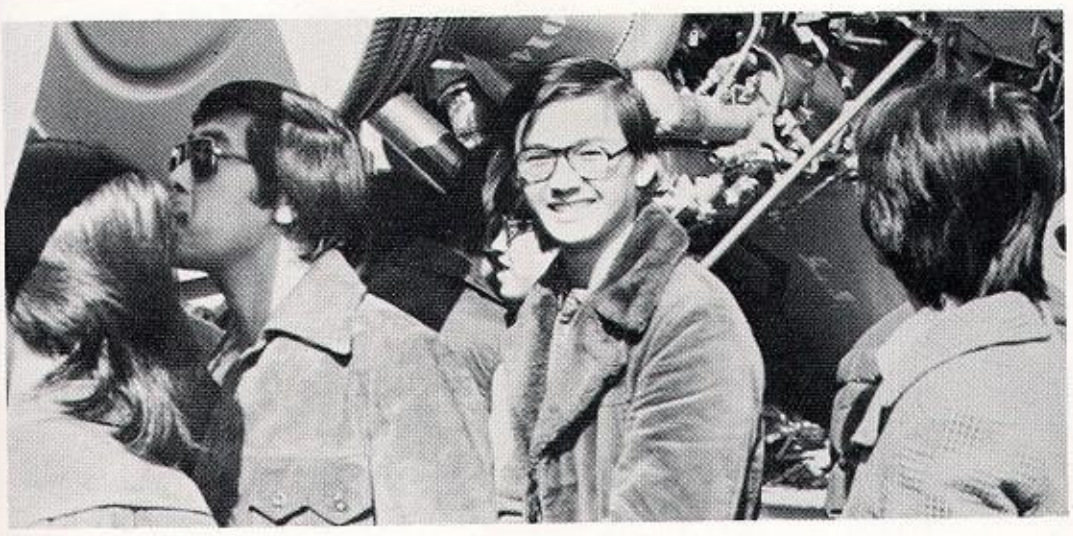
opportunities

Students from Electronics and Physics classes visiting NASA at Sunnyvale.

Students take interest in guest speaker; Inflight Attendant June Baker from United Airlines.

Feast class listening to speakers.



Galileans making observations at the Ames Research Center.

The Career Center hopes to serve the students of Galileo in six areas:

1. Speakers' Forum: invite speakers from government industry, labor, and the professions to our school.
2. Career Guidance: serve as an information clearing house relative to careers and their relevance to school programs.
3. Job Placement: serve to coordinate the job placement function at Galileo.
4. Curriculum Development: to develop units to be included in various subject matter areas.
5. "We Feature The Teacher": a weekly half-hour program in which one teacher discusses his field with a group of interested students.
6. Career Goals: an orientation program for all 10th graders.

Executive Chef Arne Pedersen from the Sir Francis Drake Hotel speaks to Gelileo students.

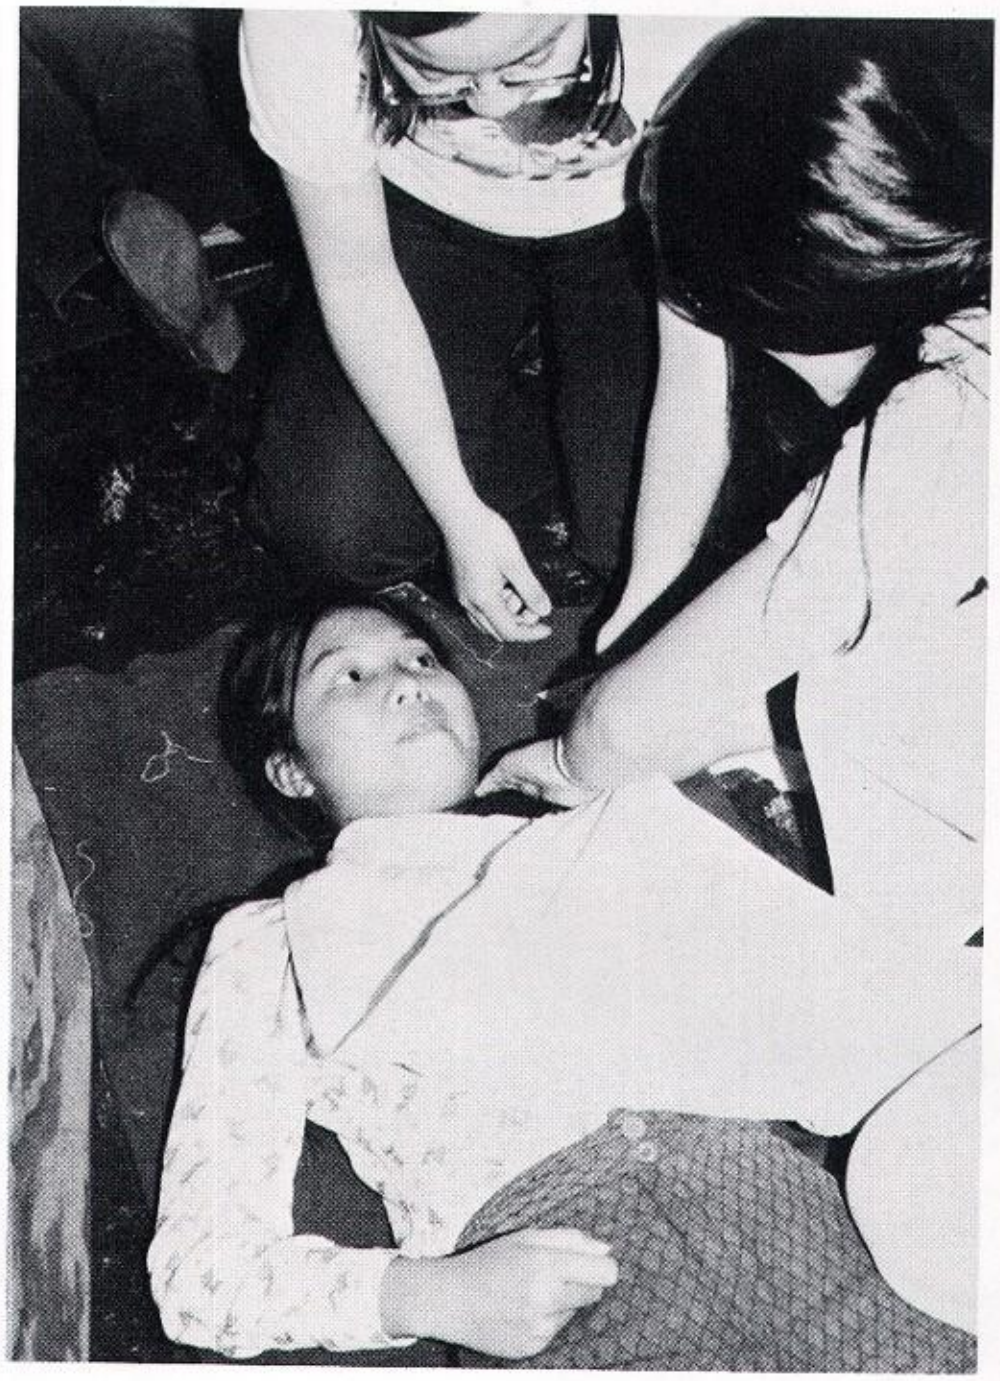
people

red cross "twins program"



Youth in first aid program

For two consecutive years, Galileo Red Cross youth volunteers have been actively involved in helping others. The "Twins" program which started two years ago is geared to held "Newly arrived" Asian youths in becoming familiar with their new environment. This objective was inplemented through a one-to-one relationship with another Galileo Red Cross Youth Volunteer. During the past year, this group of sixty students have carried out numerous service projects to both the young and the old in different communities. The most exciting project was entertaining approximately 400 aging people at the San Francisco Senior Citizen Center during Christmas.

Along with the Twins Program this year, Galileo also had a Red Cross Club. Under the leadership of Mrs. Chang, this group of students have participated in several types of service. The Multi-Media First Aid Program was one of their successful projects. Through their activity five Galileo students became trained first aid instructors. In turn, these certified instructors taught more than 45 students the basic knowledge of first-aid and accident prevention. During Christmas, the club raised over $100.00 through donations and a car wash to buy toys for needy children. In April, 55 students participated in the Annual Red Cross Fund Drive. A 15 mile walk-a-thon which started at Gaileo and finished at Galileo, raised approximately $1000.

mabuhay

1st Row Kneeling- Vernon Nocon, Joel Morris, Enrique Kabahit. 2nd- Araceli Romero, Juliet Barba, Nemcy Morris, Miss Daphne Luke, Evageline Cual, Charles Choy, Dina Pastones, Merlyn Achacoso Hecely Kalagayan. 3rd- Daniel Salansang, Daniel Arnot, Rey Vinas, Leo Dincong

The sponsor of the club is Miss Luke. Filipino club has had some fund raising events during the year. Just before Christmas we had a very successful Christmas Dance. We had some great ideas about raising money. The club had a bake sale, car wash, and a very successful caramel apple sale. We hope to become a great club and get together with other school's Filipino club. We hope the future Filipino club members will keep up the good work and continue to improve the club.

filipino club

Just before the Christmas vacation the Filipino club had an outstanding dance. Over a hundred students came to enjoy the music of "City Lights" and the fine vocal work of Yvonne Geli who is a senior at Galileo High school. The dance was held in the Girls Gym and a fine time was had by all as we danced until well after midnight.

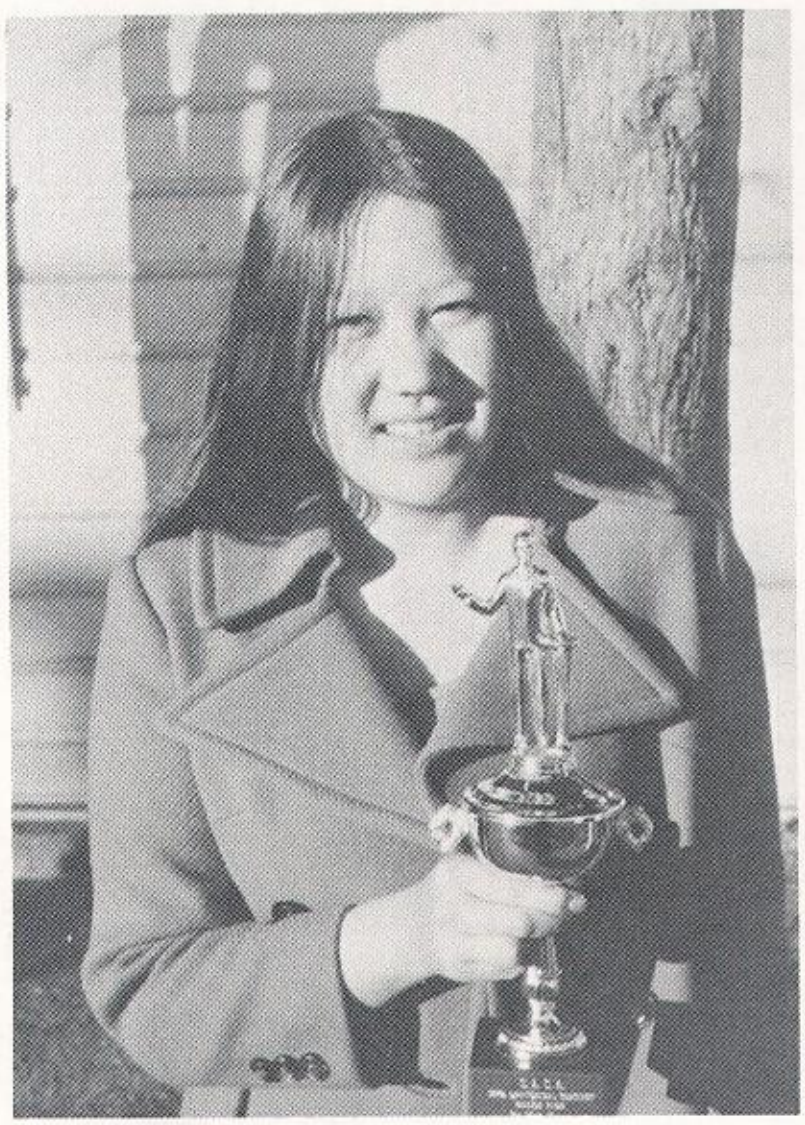
forensics

These students represented Galileo in speech tournies at De Anza High, Richmond, Nov. 22: Piner High, Santa Rosa, Dec. 13: El Cerrito High, Feb. 21, and Pinole Valley high, March 27.

Their events were as follows:
Oratory: Michelle Waugh, Tina Blodgett, Doris Randolph, Carol Anti, Lavra Zieman, Julie Hing.
Girls Impromptu: Barbara Jones.
Programmed Reading: Greg Rovensk, Dovg Dexter, Daniel Lee, Sharon Mah, Ana Koc, Kathy Gilmer.
Humorous Interpretation: Eva Balog, Bobby Nietes, Tommy Martin.
Dramatic Interpretation: Randy Booth, Jessie Mah, Susan Balog.
Boys Impromptu: Dwight Haldane, Kevin Joe.

In addition the debate team of Doug Dexter and Dwight Haldane represented Galileo at Casa Grande High School, Petaluma, Jan. 17 and at Berkeley High School, Feb. 28. They won first place in debate at the latter tourney. Michelle Waugh and Julie High also debated at Berkeley.



Michelle Waugh- 3rd place Chinese- American citizens oratory.

hall of fame

It was a night to remember for 270 Galileo graduates and friends at the second Galileo Alumni Athletic Hall of Fame Dinner at the S.F. Athletic Club on May 21, 1976.

The excited group of "old timers" were there to honor seven great Galileo Lions. Dario Lodigiani ('34) and Vince Gianni ('45) were honored for baseball and soccer. Football noteables Rod Franz ('40) and Roy Barney ('45) were also inducted. Olympic gold medalists Grover Klemmer ('39) was honored for track herocis while Ann Curtis ('42) was cheered for being such a graceful sea lion.

Inducted into the coaches' division of Hall of Fame was Tom "The Fox" DeNike. DeNike coached the Galileo Lions' basketball teams for 37 years until his retirement in 1959.

The "baby" of the inductees was football great O.J. Simpson, from the Class of 1966.

Last year Geno Cimoli, Frank Lucchesi, Hank Lusetti, Freddie Scolari, and Richard Tong were inducted into the Hall of Fame. Former Galileo principal and football coach, Ras Johnson was installed as Head Coach of the Hall of Fame. All the inductees were presented a roaring Galileo Lion Mascot.

Both dinners were to raise funds for the Galileo Alumni Scholarship Foundation.

Dario Logigiani '34, Rod Franz '40, Ann Curtis '42, Coach Tom "The Fox" DeNike, M.C. Vice Tringali, O.J. Simpson '66, Chairperson Tom Johnson '47, Grover Klemmer '38, and Vince Giani '45.

O.J. trying to eat his dinner. Tom Johnson '47, Chairman of the Hall of Fame Committee, looks on with Grover Klemmer '39 and Vince Gianni '45.

Judge Jack Erotla '44 and former Galileo principal and Coach Ras Johnson.

service

leo

Left to Right: Anna Koc, Mrs. Haynie (sponsor), Charles Sherman, Randy Booth, Daniel Lee, Janos Balog, Mary Martin, Mr. Nelson, (Marina Lions Club Representative).

The Leo Club is a service organization of civic minded students at Galileo. It is sponsored by the Lions Club of San Francisco and its purpose is to do volunteer work to help the needy and disabled people in the community. This term, because of the city transportation strike and other interrupting things, the club was not able to do as much as it would have liked. However it did engage in some fund-raising activities to help out our Forensics team.

health

Left to Right: Brenda Tam, Carol Wong, Rowena Dea, Ruby Woo, Daniela Lenci, Susana Ng, Amy Mar, Left to Right Seated: Barbara Jones (president), Mirian Jo (Sec-Treas), Sponsor Marlys Eriksen, Joycelyn Doo.

The Health Careers Club provides an opportunity for students to learn more about careers in the health field. This is accomplished by listening to speakers, touring health institutions, seeking written information from various agencies and sharing information in club discussion. Events this past school year have included bake sales, Christmas caroling, a picnic and participation in the spring festival.

gal's rededication

Drill team performing for ceremony.

After completing four years of reconstruction, to meet earthquake standards, 52-year old Galileo High is being reunited into one school. The band, ROTC, gymnasts, and dancers from Galileo appeared in O.J. Simpson Stadium before the reunified 2000-person student body, much of which has been dispersed among temporary Ft. Mason, during the classroom reconstruction period. Among distinguished Galileo alumni attending, were members of the Board of Education, state and local government, and a member of Galileo's charter graduating class of 1925, Frances Engle, now of Seattle.

Doing the Charleston.

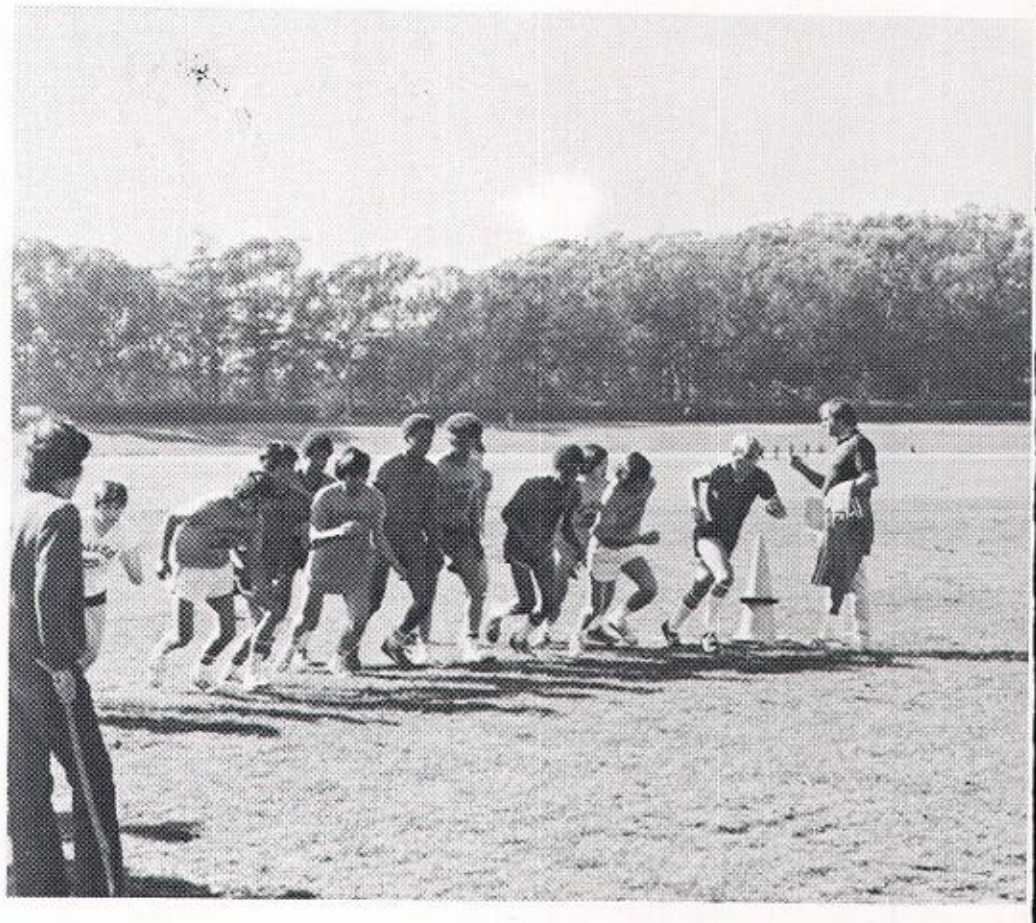
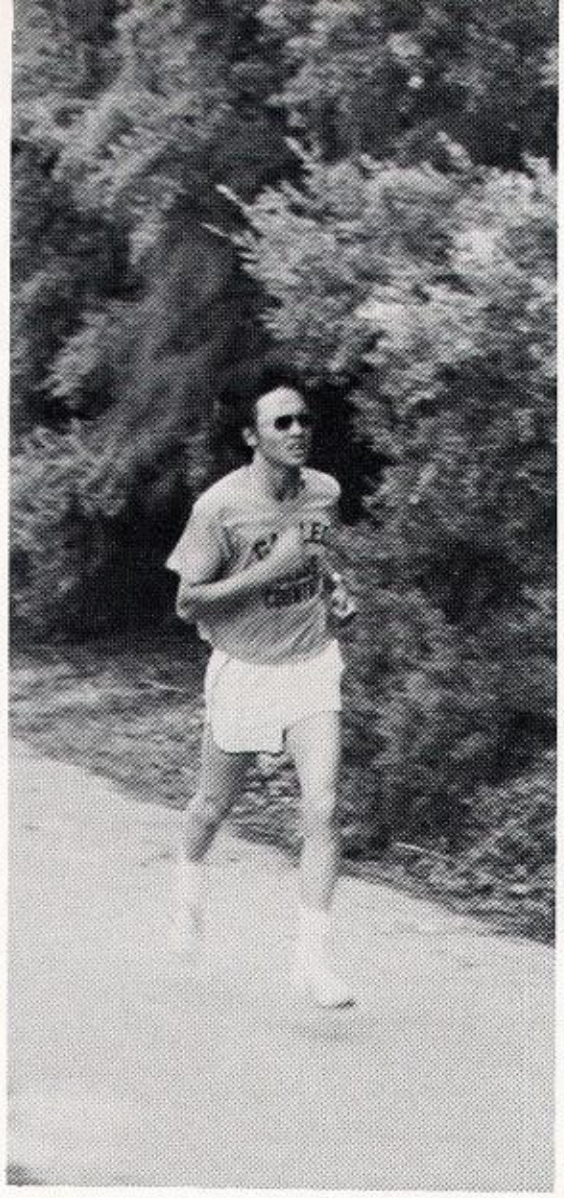
Joaquin Lezama at the finish.



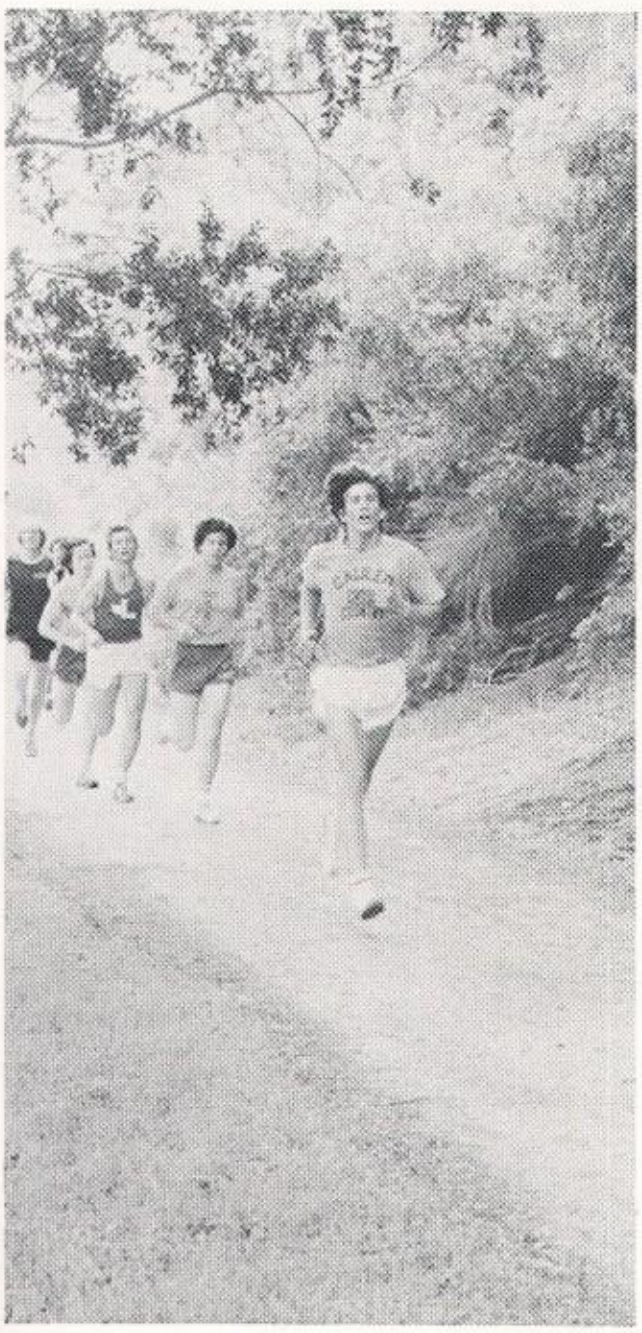
At the start.



Keeps on truckin.

Joaquin, Dominique (outstanding runner in the city), Eugene.

The cross country team's record of 1-7 is misleading. Inexperience dominated the team, as Gal had 7 sophomore and 8 varsity runners. David St. John, who led all Gal varsity runners with a 14:04 time in the 2.8 mile course, will be returning to the varsity team next year. Dominique Carron, #2 varsity runner, who also won the Junior AAA female national championship last year, will be graduating. Dominique may just be the best female distance runner in her class in the United States today. Henry Schlutz, returning from the sophomore team looks extremely promising and should develop into one of Gal's top stars next year.



St. John takes the lead.

John Mixon.

Playoff and Championship

Galileo	85	McAteer	41
Lowell	59	Galileo	52

Galileo 115's Continued the school's tradition of excellence in lightweight basketball by finishing second behind Lowell. The 115's excellent record was marred by the lone loss to Lowell. The Indians took advantage of the Lion's sluggish start and slowly built up a lead they never relenquished. In the playoffs, the two teams met again, this time the Lions surged into the lead but suffered a setback when All-City Johnny Woods, Gal's leading scorer and All-City Subhash Patel, our defensive machine fouled out with minutes to go. Lowell, taking advantage of Gal's misfortune, edged into the lead and went to take the Championship.

Gal. Playoff
55 - 56 lost
Gal. Championship
53 - 50 Won! #1

Galileo 125's City Champs, coached by Mr. Carson, placed two members on the All-City First Team. Carlos Bustamente, and Kenny Woo. Carlos hot hand and fine defensive play led the team in scoring with his 17.2 average. Ken Woo, Gal's fine all around player, was outstanding on defense, a great rebounder and fine floor general. He richely desired First Team All City Honors.

Galileo's team was behind many times during the season, but always started a late game rally to win. A good example was our thrilling win over Mission in the Championship game. With two minutes remaining, Mission held a 50-44 advantage only to see Galileo rally to win the AAA lightweight basketball crown, 53-50.

Galileo had a fine season with a 5-2 record. The team was supposedly washed up because of the loss of Markey Crane and Angelo Dillon. A team picked to finish at the bottom of the barrel. The no name defense of Galileo, so called because of the loss of all-city Markey Crane and Angelo Dillon, led the way for Galileo this year. They were truly awesome, considering the way they held opposing teams to a meager 10.1 pt. per game average. In the game against Lowell, the defense allowed the Indians 27 points in the first half. But in the second-half, the defense stiffened up and the offense, starting to find the rhythum, scored 28 points to upset the Indians. O'Connell's hopes for a playoff spot were seriously demished by the exciting and superb comeback of the Lions. The Lion's defensive lineman had their arms around the quarterback so often, they all could have been engaged. The defense contained every drive by O'Connell and then the offense moved the ball with authority. Result: Gal - 48, O'Connell - 6. Unfortunately in the first round of the playoffs, Gal was upset by Lincoln. A team they had beat earlier in the season. The lions had 4 all-city players this year with Robert Chadwick on offense and defense, Kelvin Steele on offense, Mark Ferguson on offense and Mashawn Robinson on defense. It was a very good year for coach White and the team.

Coach White and the Galileo track team have been steadily improving over the past three years. Although Galileo is the only high school in San Francisco without its own track and must travel to City College or use the football field, this has not stopped our team from having one of its finest season in many years. For the first time in the school's history Galileo defeated Washington. With our undefeated sophomore team providing the varsity squad with extra talent it looks like Coach White has started another dynasty to go along with Gal's football; lightweight basketball and wrestling winners. Some of those "fantastic" juniors now on the squad who will return are Tommy Martin-hurdles; Kevin Fong-pole vault; Gary Polich-discus and David St. John-mile. Look out Balboa-Galileo has arrived.

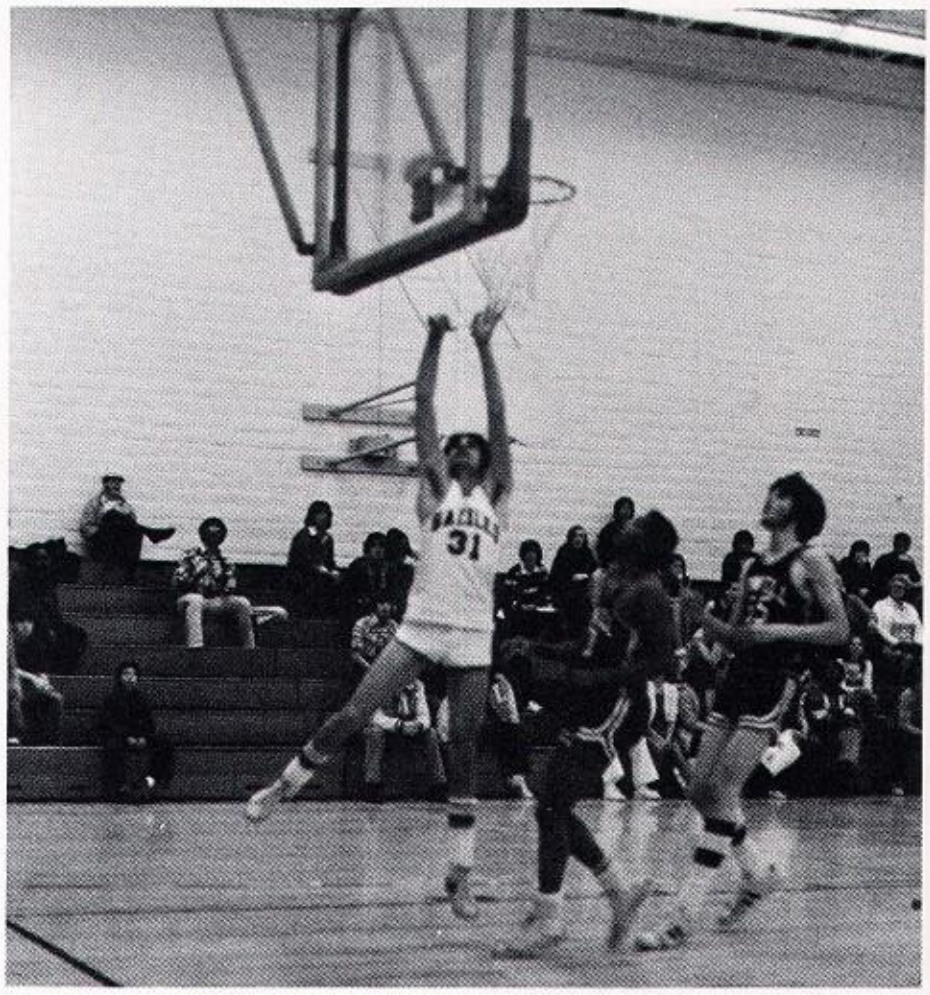
Gal gets the tip

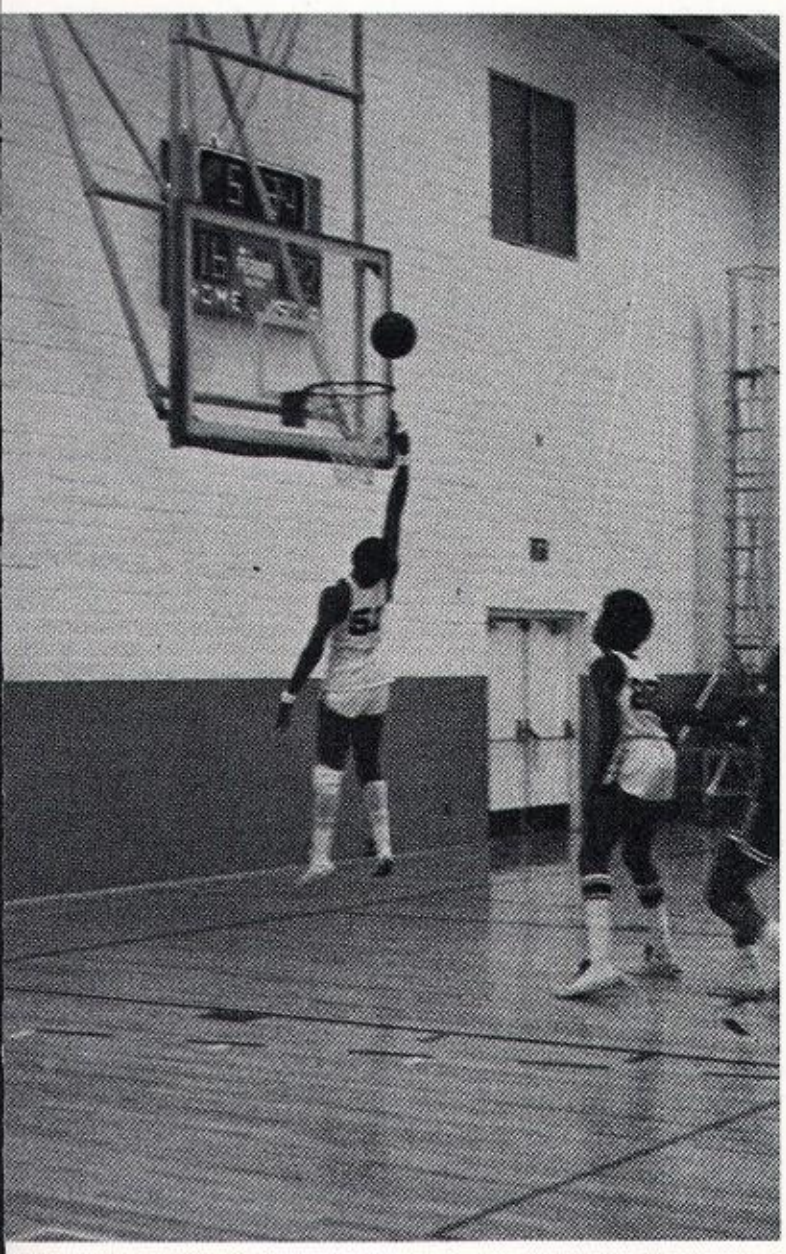


Pedro Brito drops two

L. to R. Back: Warren Pierce, Mashawn Robinson, Pedro Brito, Mark Shoats, Robert McGhee, Front: Ben Loften, Ted Bolden, Michael Kidd, Doug Woods

Shoats eludes the defense

The lions had a rather disappointing 1-7 record this year. Warren Pierce who lead in overall scoring averaged thirteen points per season in addition to blocking shots and rebounding. Michael Kidd, Mashawn Robinson and Douglas Woods contributed significantly in individual effort. Unfortunately the lions were unable to put forth a team effort. Next season looks promising for the lions as six juniors will be returning for revenge.



Two for Mashawn Robinson

Cervando Parnda gives the ball a swift left kick.

It was a long, up-hill season for Galileo's team. Although they were some-what disapointed in only getting one tie and no victories, the season was not totally wasted. As with all young, inexperienced teams their is a need to build up a team type effort. This is what Gal's team did after losing most of its stars to graduation last year.

Although the team did not win, there were some good individual efforts made. Our offensive star was Ernie Avelar who scored three of Gal's six season goals. And our defence, we had some plays from Lloyd Sherwood who with more experience will develope into a fine all-around player.

Ernesto Avelar "come on ball, get going."

1	McAteer	6
2	Mission	5
3	Wilson	4
4	Lincoln	3
6	Balboa	1

Galileo's Varsity Tennis Team consists of eleven players. However, only nine of these eleven players make up the official team. In league matches, the top five are singles players and the next four players are used as our 1st and 2nd doubles teams. Making up this year's team are: (in ranked order) 1) Thomas Shea: 2) Paul Haynes: 3) Peter Goetz; 4) Van Navarro; 5) John Lee. We also have our fine doubles teams of: 1) Vahe Asdourian; Hossein Bolourchi; 2) Leslie Tom; Francis Chin. In addition to the first nine players are two more members: John Asdourian (mgt.) and Philip Tascon, a promising J.V. player.

With this year's new coach Nick Camara, and one year of experience, Gal's tennis team looks like a winner next year.

swimming strokers

Team; Back Row: Susan Balog, Doug Dexter, Jaquin Lezama, Doris Randolph, Randy Booth, Howard Chang. Front Row: Steve Garner, Charlie Sullivan, Mike Wong, Robin Gibson, Paula Lobe, Janos Balog. Sitting: Coach Cooney.

Paula Lobe, (Mgr.) Coach Bologna.

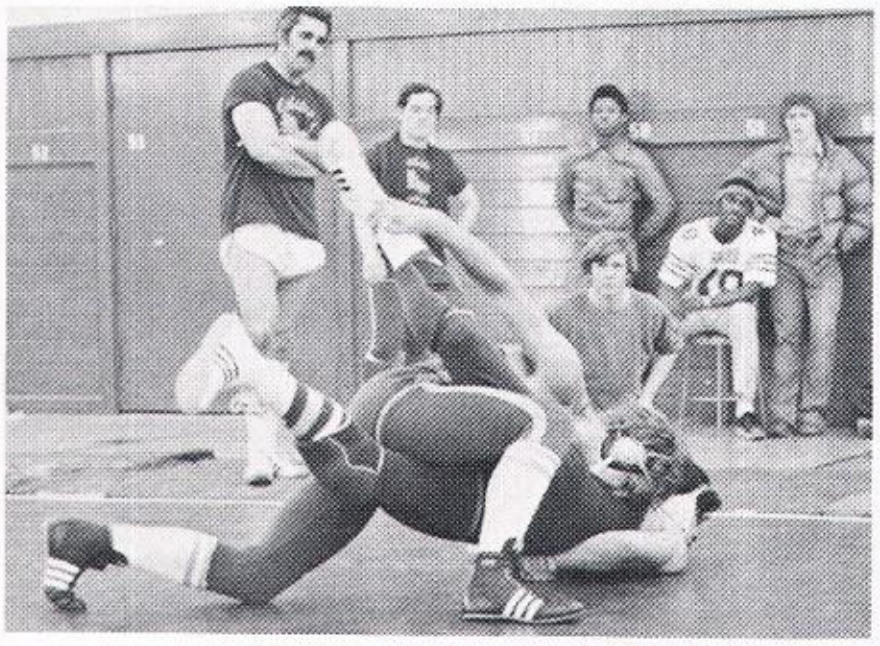
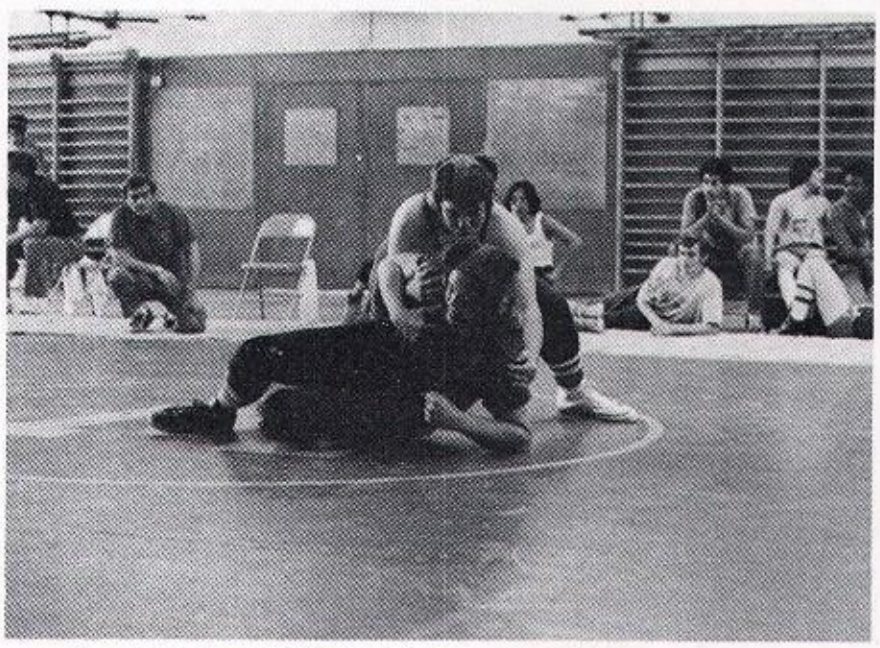
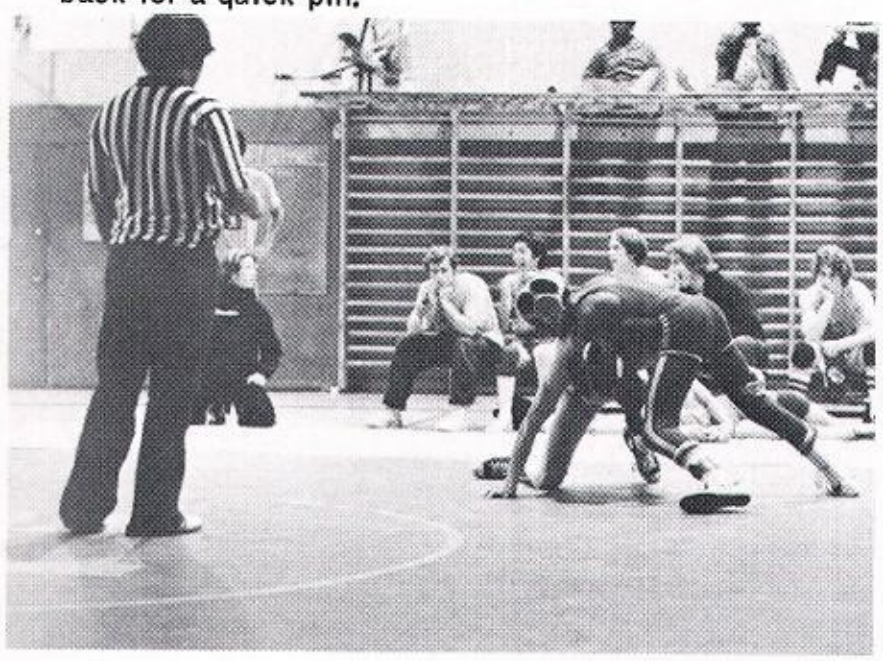
wrestling



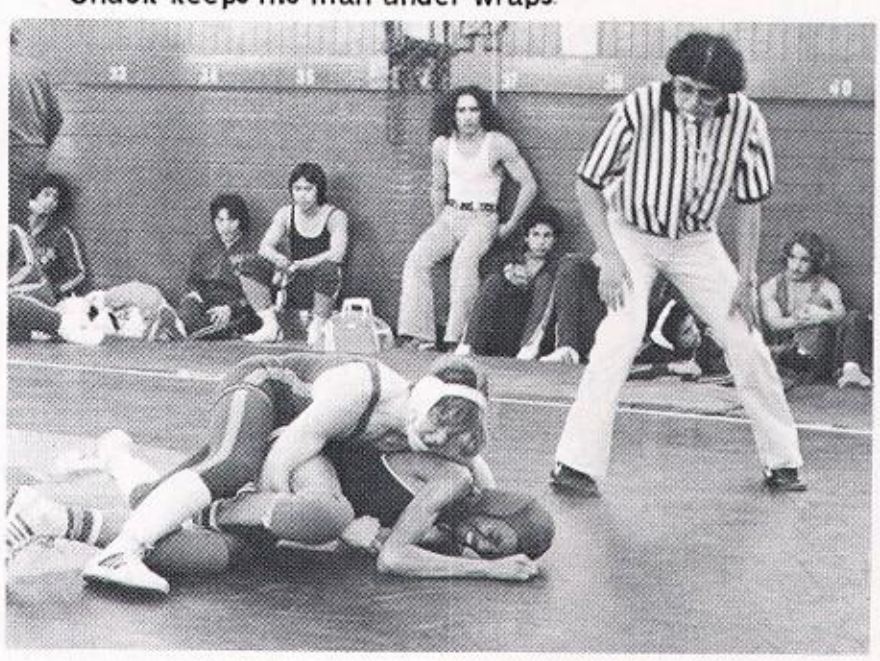
Mark Hagreen, Third All-City Unl. Pulls his opponent back for a quick pin.



Chuck Fuller, Third All-City, 148 lb. In good form, Chuck keeps his man under wraps

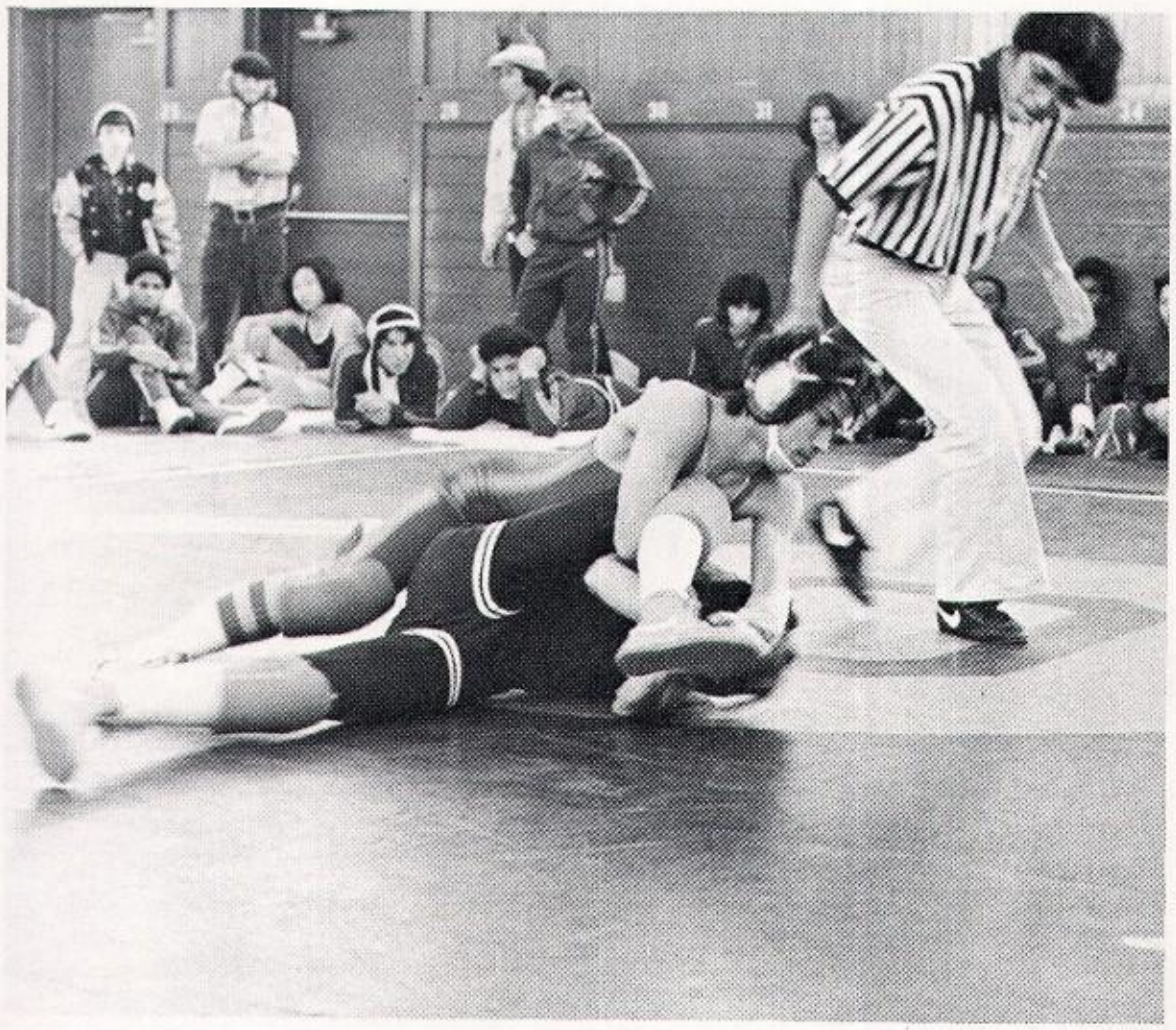


Julian Lathan, Fourth-in-City, 129 lb. Julian attempts an inside cradle.



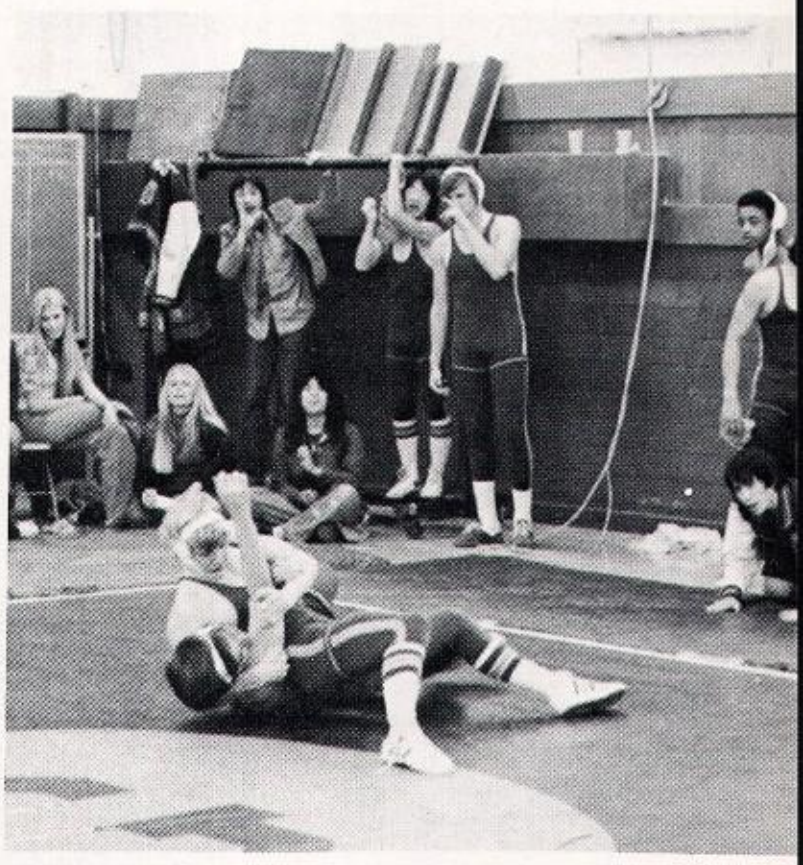
122 lb. Steve Garner, cradles his man for an easy six points.

Three Time All-City Champ



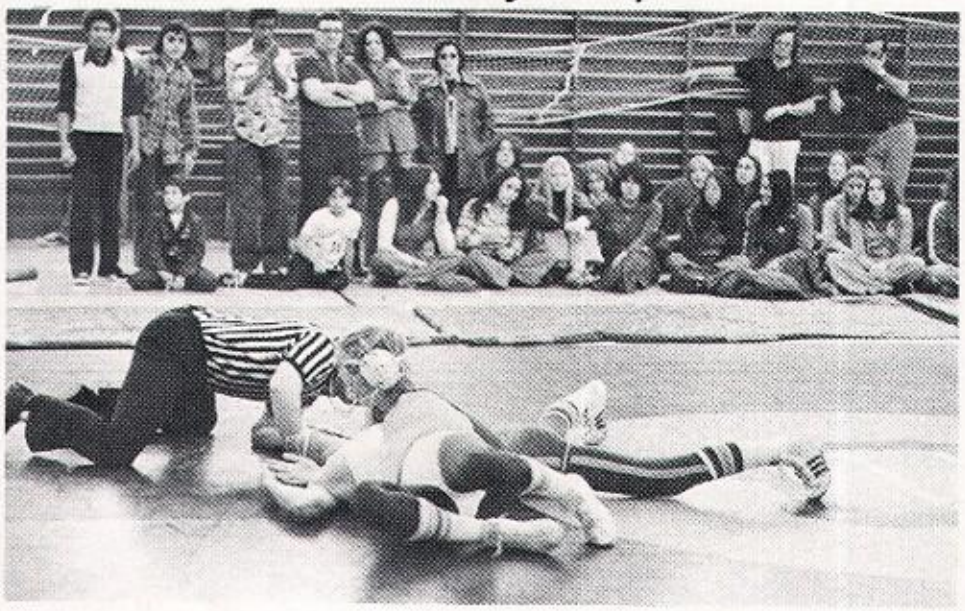
Sandy Ng, 105 lb. This was Sandy's third consecutive season winning All- City.

All-City Champ



Charlie Sullivan, 141 lb. All-City. Charlie shows his skill by pinning his man with a head and arm.

All-City Champ



Dan Hunt, 136 lb. All-City. Using tight waist control, Dan pins his opponent from Lowell.

Saturday, Feb. 28 was the highlight of the 1975-1976 Wrestling Season as the A.A.A. schools competed for the All-City Championship. Lowell High's gymnasium was packed with people who came to watch the 100 wrestlers compete for the first place spots and to see which team would unseat Lowell as the All-City Wrestling Champions.

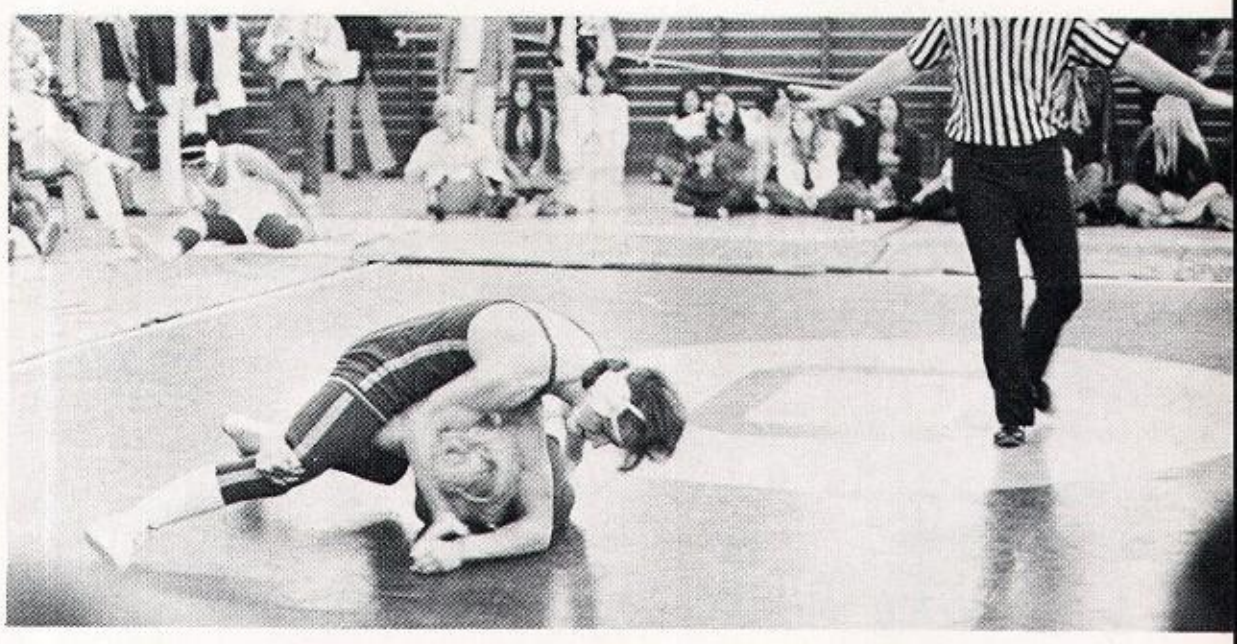
The mighty Lions of Galileo roared to the Championship with four first places, and for the second year in a row led the schools in Championship wrestlers. Sandy Ng, Dan Hunt, Charlie Sullivan, Bob Chadwick went undefeated in tough competition.

Galileo also took its third consecutive Championship in either Round-Robin or All-City competition. Final scores: Galileo-87, Washington 2nd with 86.25, Balboa 3rd with 81.

Coach John Bologna has built up a dynasty in the three years that wrestling has been an A.A.A. sport in the City. His coaching and training of raw talent has been excellent. If more Galileo students go out for the team next year to replace the graduates, the dynasty will continue.

Janos Balog, 168 lb. Fourth-in-City. Attempting to take his man down for two points.

Two Time All-City Champ



Bob Chadwick, 178 lb. All-City. Bob trying to get around his opponent by using a cross face.

girl's volleyball

Standing-Left to Right-Joanne Chun, Patricia Lee, Theresa Chan, Mimi Chan, Theresa Sung, Pat Louie, Coach-Miss Siech Sitting-Left to Right-Anley Gee, Jeanette Dea, Mimi Wong, Grace Nueva, Arlene Chan & Isabel Fong

Mimi Chan is at it again!

Miss Siech giving a pep talk to the team.

Pat Lee and Arlene Chan sets the ball to each other.

Gal's competitive volleyball team has grown into a powerhouse in just three years of competition. Back in 1973 we did not even have a team and in just three short years Gal has taken a third place all-city in 1974 and city championships in 1975 and 1976.

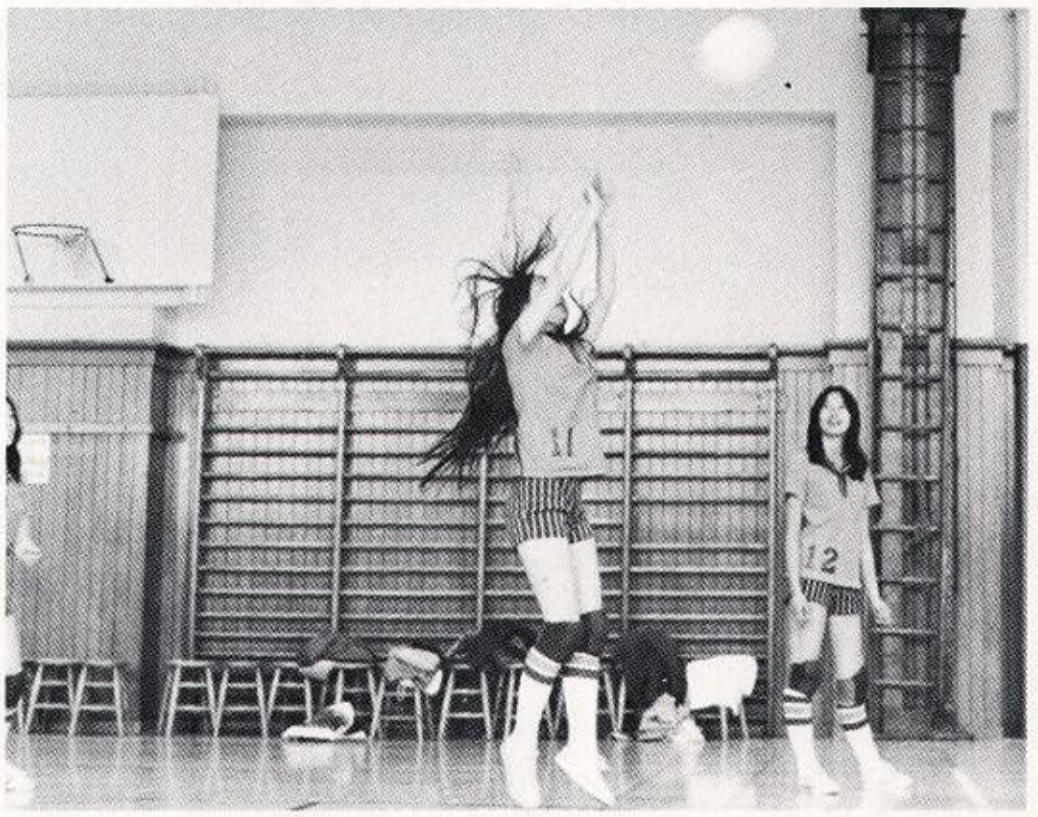
This year the team was led by Arlene Chan our most outstanding player and ranked no. 1 in San Francisco by all high school coaches; Mimi Chan no. 2 player in San Francisco and Mamie Wong ranked no. 9. They were all-city selections. The only school to place three players on the all city squad.

They swept through a perfect season rolling over seven straight opponents. Gal beat Lowell in the championship playoff 15-13, 14-16, and 15-12.

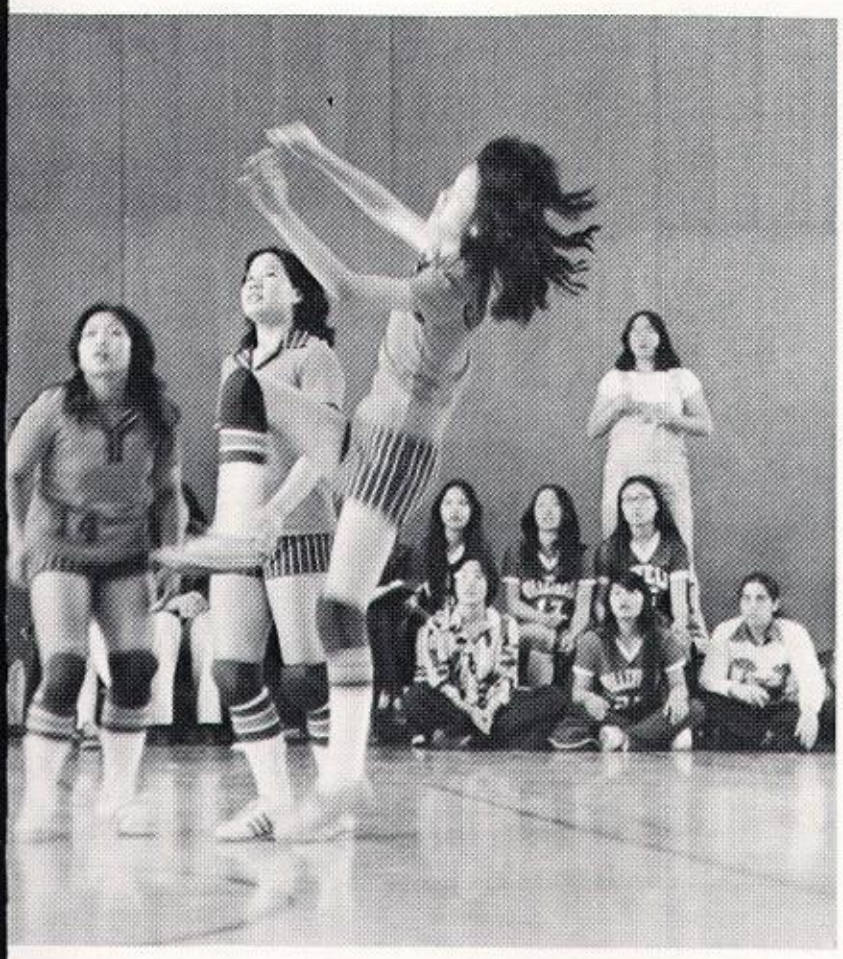
Each one of the girls showed great efforts and proved with their abilities that they could win the championship. As a team the girls competed with great strength.

Pat Louie serving the ball.

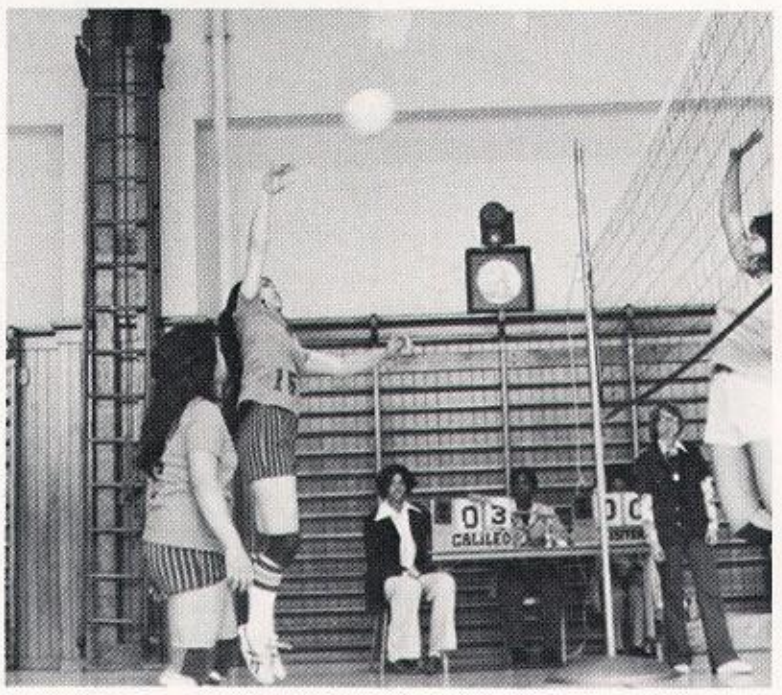
Both teams are changing positions.



Theresa Sung showing great effort.



Grace successfully scores.



Pat Lee spiking.

graceful dances

modern dances

There is about 50 students enrolled in Modern Dance this term. The class provides basic instruction in technique, body placements, stretches, leaps, etc. The students have opportunities to create their own dance using popular or ethnic styles. One of the main objectives of the class is to develop individual experience through dance. Also it is hoped that the students will gain self-independence through performances at assemblies and other shows.

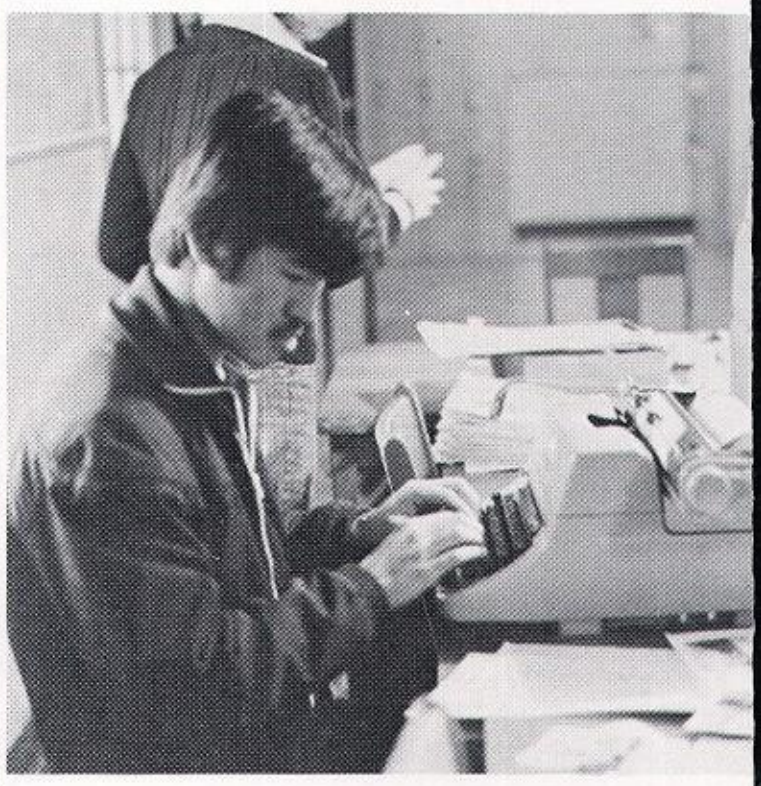
yearbook

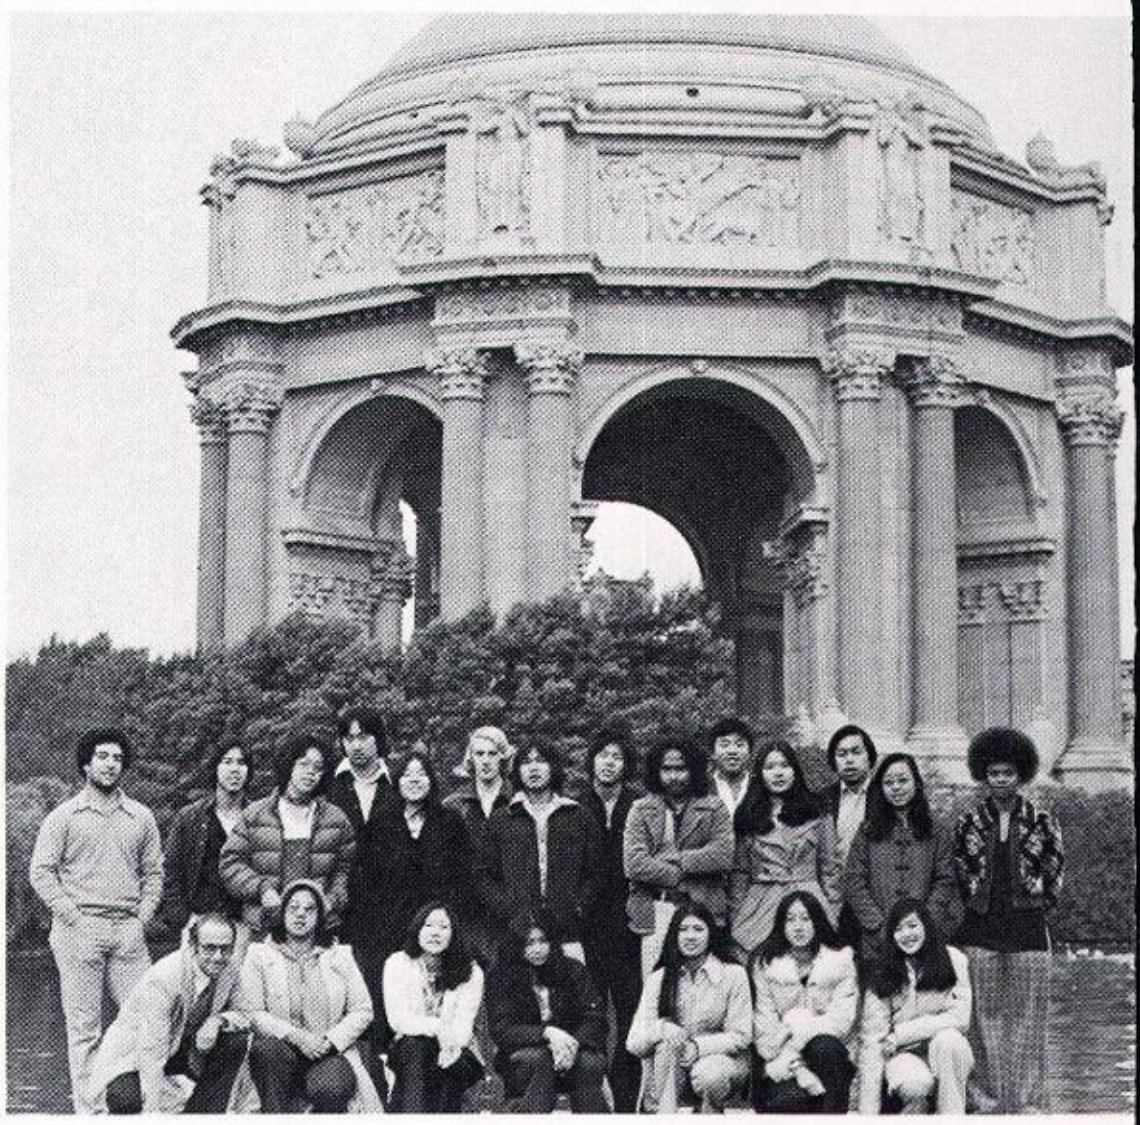
5º yearbook class: (Top Row) Daniel Chu, Cheryl Hill, Eugene Choi, (2nd Row) Michael Lum, Merlyn Achacaco, Michelle McClure, Cindy Lee, Eric Yee, (3rd Row) Rolf Drogose, Mr. Cohn, Charles Sullivan, Dennis Yee (4th Row) Rosa Chang, Rowena Dee, Charlene Chee, Pamela Tom, Pushpa Patel



Daniel Chu types out a sports page.

Early every morning in A7, the yearbook class meets and through many lay-outs, yelling, typing, trials and laughter the yearbook goes to the presses. We do alot in 1º and 5º and most of us enjoy being part of the yearbook staff. Special thanks should go to Mr. Cohn and to our photographers who spent hours taking thousands of pictures.

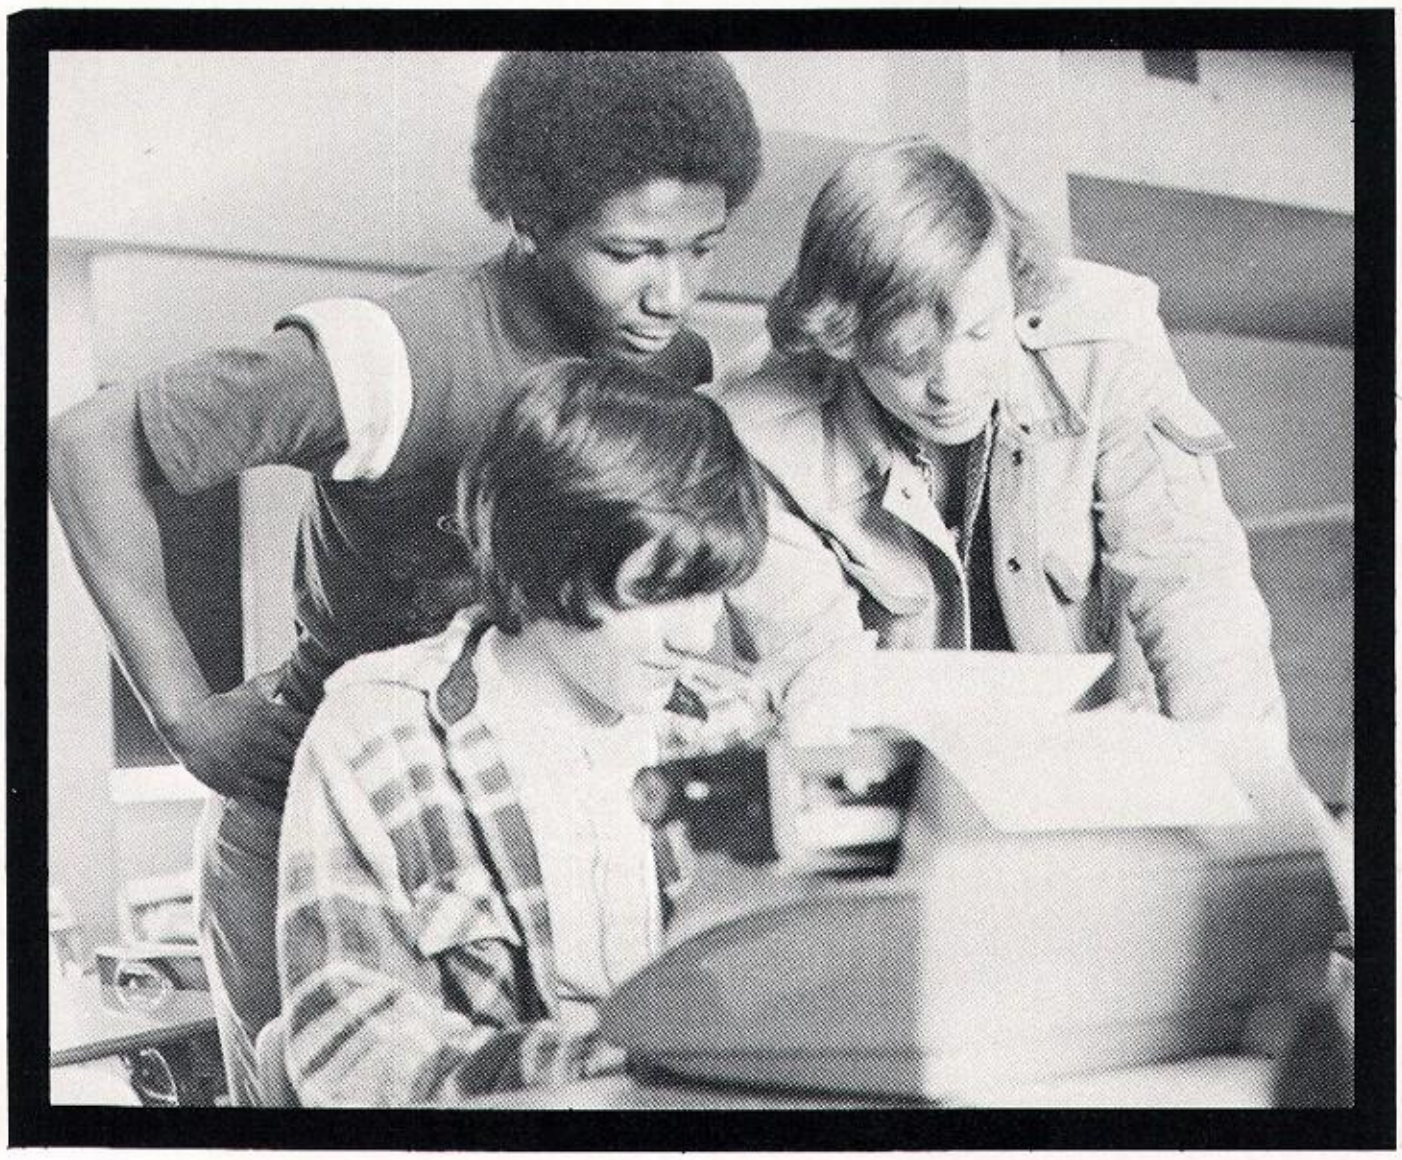
Mr. Cohn explains a lay-out to Linda Woo, Dana Chu and Shirle Kong.



1º yearbook class: (Top Row) Mike Mustacchi, Sanford Louie, Dana Chu, Joseph Tom, Liz Lee, Dale Carpenter, Vernon Nocon, Tim Owyang, Joel Morris, Fred Lau, Shirle Kong, Wilson Chu, Diana Chow, Mary Gilmore, (Bottom Row) Mr. Cohn, Peggy Hepa, Michelle Tong, Sandra Fong, Elsie Woo, Julie Louie, Elaine Yim

pendulum

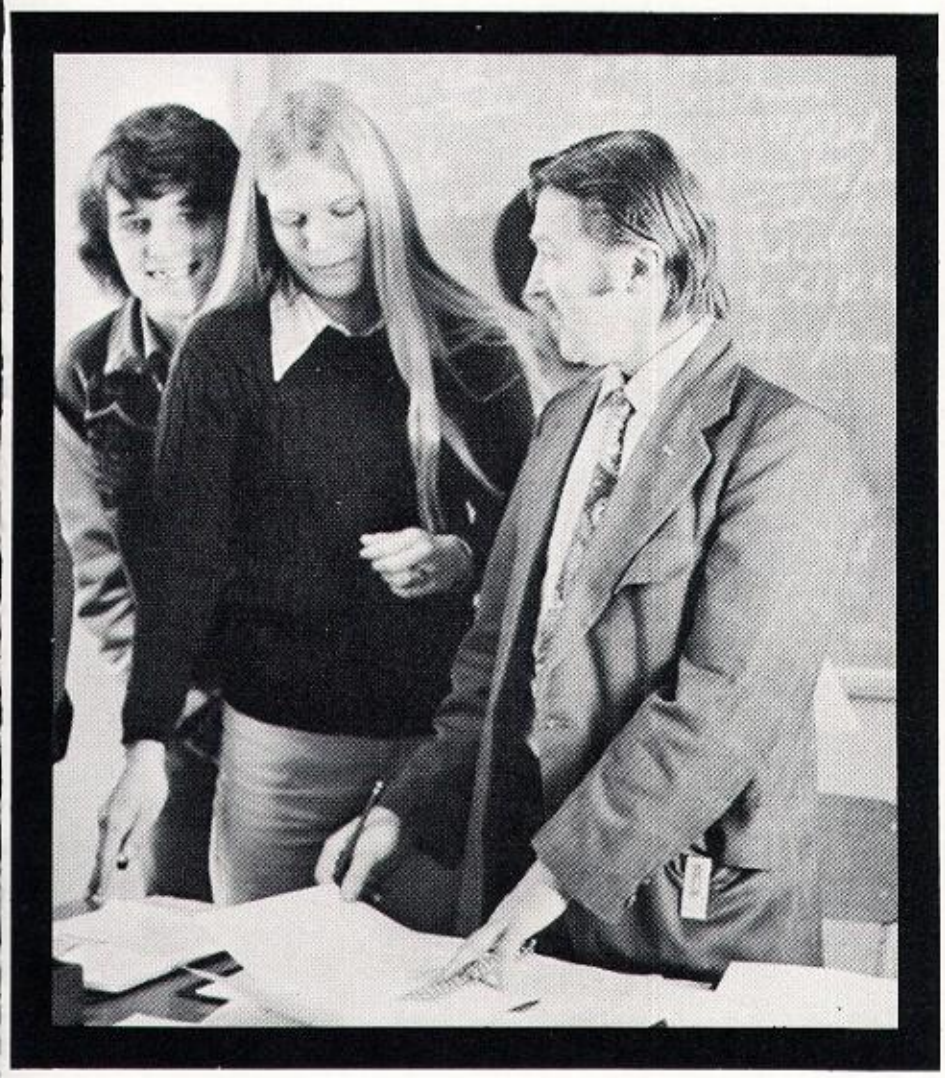
journalism



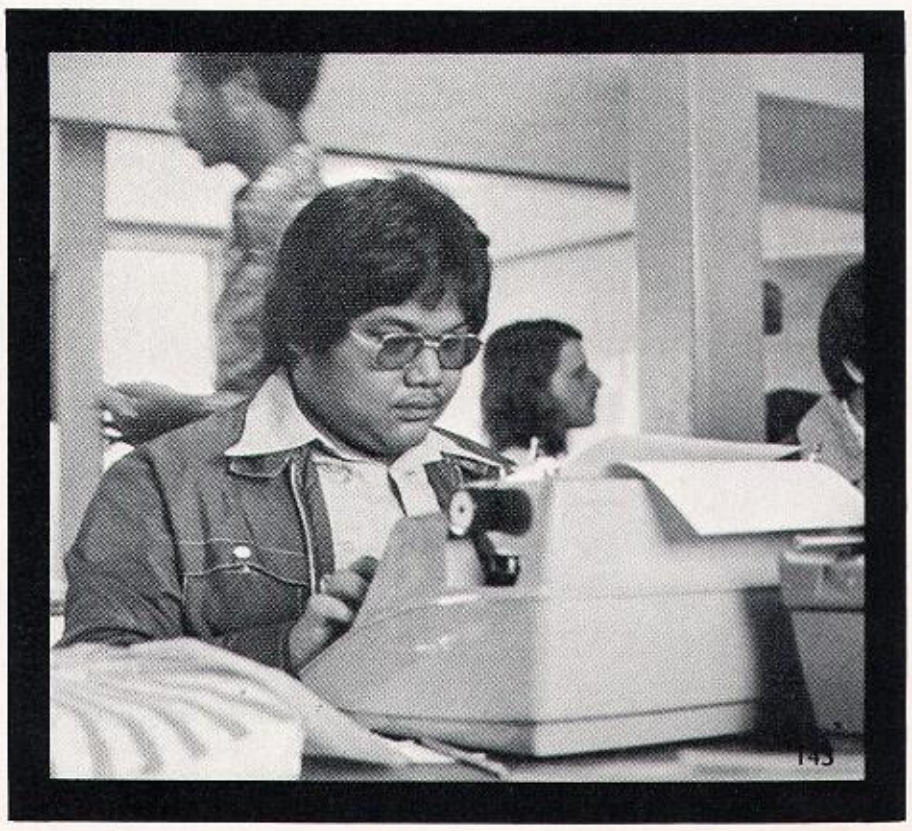
Kelvin Steele, David Noland and Janos Balog figure out a headline.

From the 4 journalism classes, led by Mr. DeRyan, comes our school newspaper. Each month the Pendulum is published to inform all of Galileo about what the rest of the school is doing, in sports, classes, clubs, and everything else. Advertisements and a monthly calender are included, as well as many pictures.

We thank them all for their good work in keeping us informed.



Doris Randolph confers with Mr. DeRyan as Bob Chadwick clowns in.



Bobby Nietes types a story.

getting it together

leadership

LEADERSHIP

It is a class of training for energetic girls who care about things in the world today. Making, giving, and sharing their happiness with others. The activities such as the Mission Exchange, Pumpkin Picking, and the Camping Trip are just some of things they did.

The Mission Exchange is the big event every year with Mission and McAteer coming to Galileo for a day of fun together. Leadership is what every girl should get into!

Front Row: (L to R) Jeanette Dea, Victoria Ng, Karen White, Yvonne Ng, Joyce Soo Hoo, Jeannie Kong, Clara Chan, Eyvonne Hayden, Laverna Hamlin.

math tutoring

Math tutoring has been a part of our Math program at Galileo for the past 8 years. It has long been felt, and indeed proven, that many young children are able to work better with older students than with their teachers. Math tutoring is a class where seniors go to different grammar schools to help teach the youngsters math. The math tutors work with the teachers and kids. The tutors have to be responsible and be on time, and in return for their work, they are looked up to as big brothers and sisters. Math tutoring has proven to be a valuable experience to all involved.

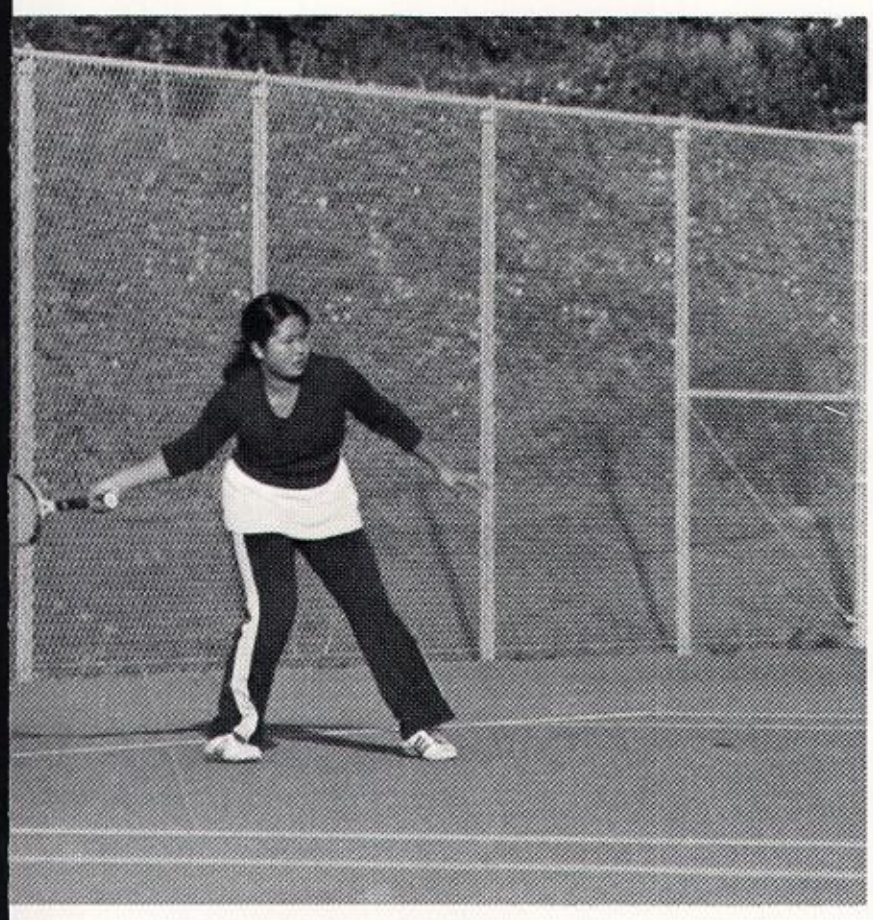
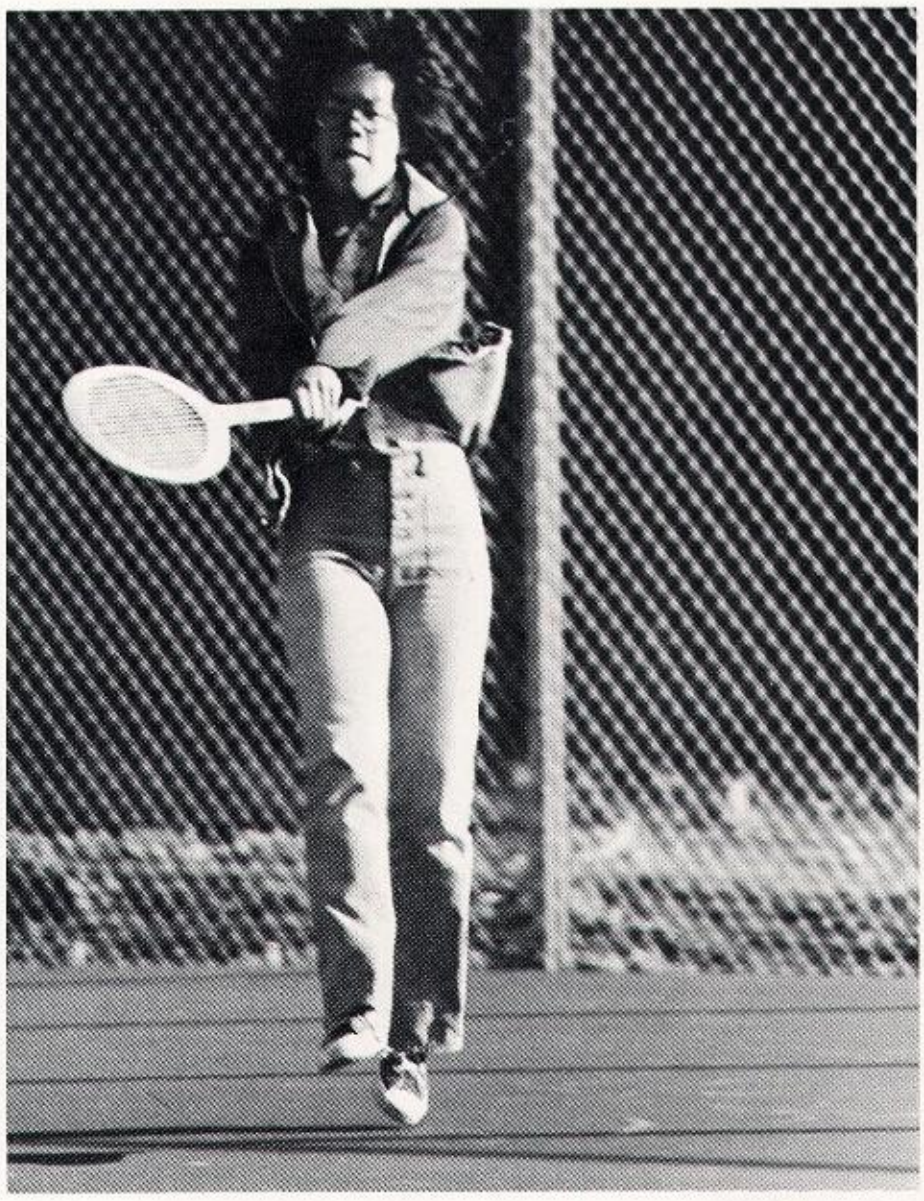
girls' tennis smashers

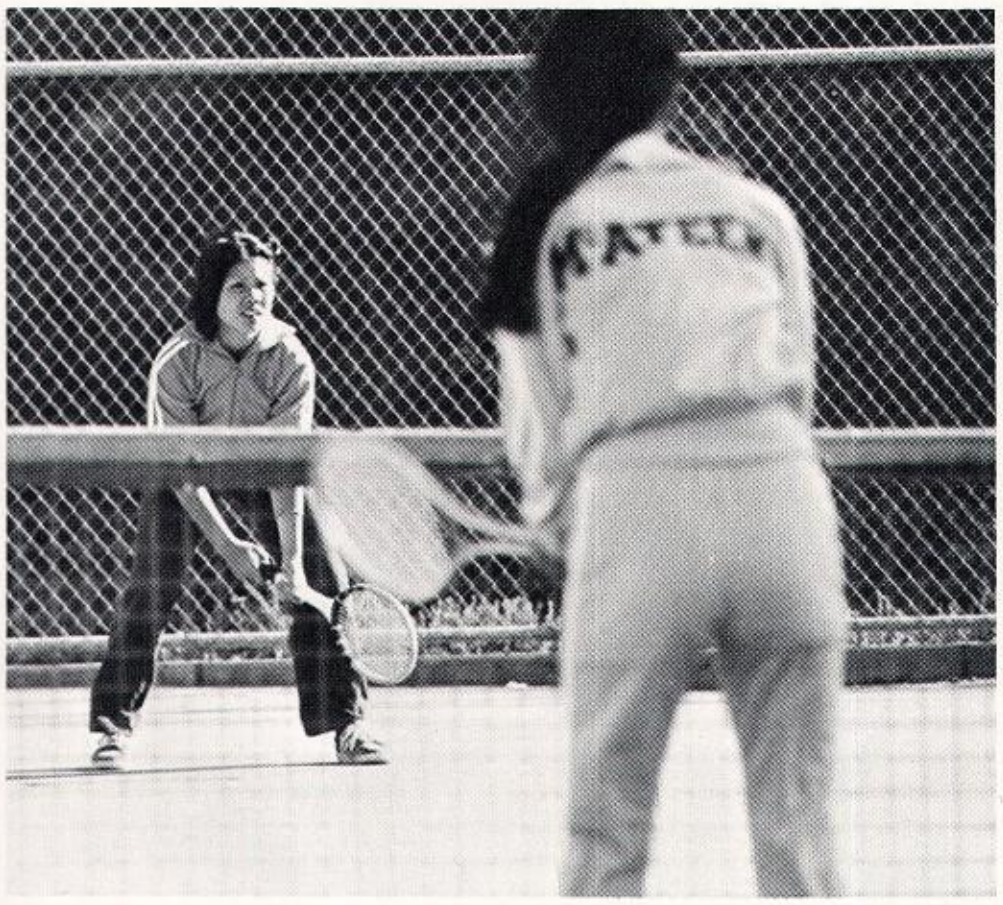
Gal's No. 1 . . . Sherli Kong anticipating the ball.



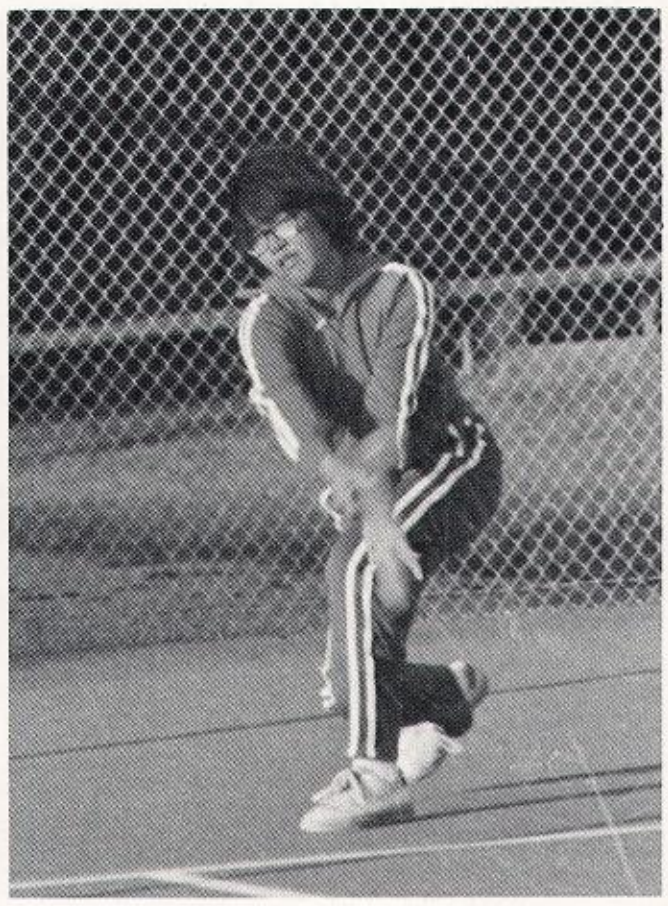
The Girls' Tennis Team is a group of students that compete in league matches against various S.F. public high schools and a few private schools. Playing competitive tennis for Galileo was a new experience for many of the girls on the team this year with the exception of Leslie Rule, a two-year veteran. Our single players ranked in order: 1. Sherli Kong 2. Leslie Rule 3. Selma Louie In addition to our 3 single players we have 2 double teams. Filling these positions are (#1 doubles) Dana Chu & Jeannie Lee; (#2 doubles) Mary Tong & Donna Ng. Although the team was winless this season there were several outstanding individual performances. Most notably was the consistent play of Sherli Kong.



Dana Chu putting everything into her backhand.



Jeannie Lee prepares to return shot.



Mary Tong hits a driving forehand down the line.

work experience money

Over 250 students participated in the Work Experience Program at Galileo High School. Through supervised work and study, these students can earn up to ten credits per semester. In addition, they are gaining valuable experience and knowledge of the world of work.

While part-time jobs are very limited, students with business skills such as accounting, typing, and other clerical tasks are in great demand.

Most are employed in private businesses in the community, and through this employment students are learning about employer-employee relations as part of their general education.

music

industrial arts

Wood, Electronics, Metal, Auto. Mech.

Industrial arts is now gaining more importance from the job market. Many business people seem to need and want high school grads with some IA preparation rather than a straight academic background. With many trades having salaries comparable to those in the professions more and more students are giving this program a place in their class schedule. This year over 650 Gal students are enrolled in some I.A. course with an ever increasing number of young ladies giving it a try.

ready, set, draw!

art

The Galileo art program is set up so that anyone interested in any form of art can have a chance to create. There are no prerequisites for most of the classes and everyone is welcome. Classes are offered in jewelry, ceramics, commercial art, free hand drawing, basic art and art history. This year there are over 150 students enrolled in the program. Besides the regular class work, students spend some time observing art work outside the school on field trips.

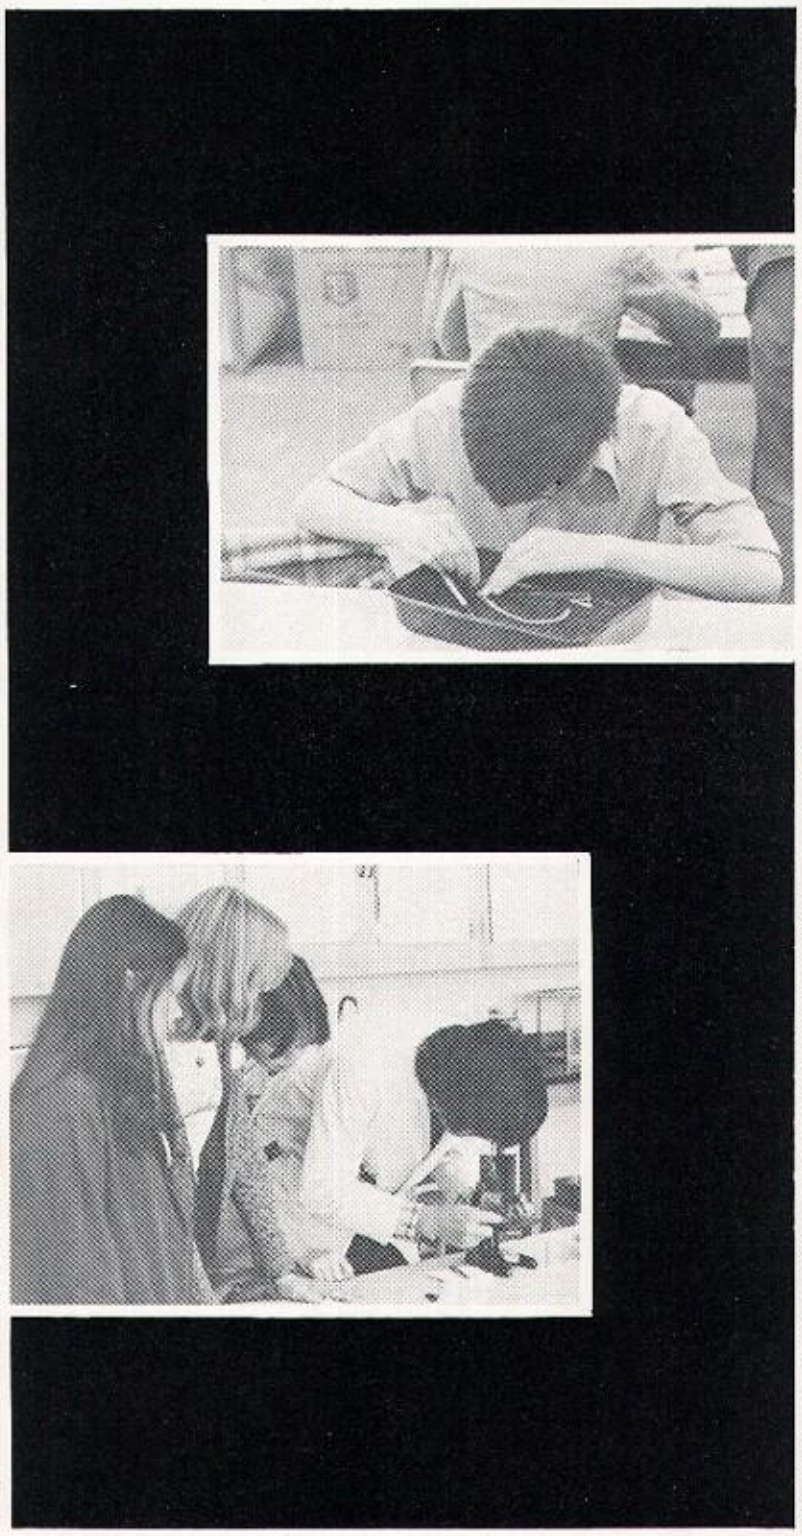
Dana Chu buffing her ring.

Sherry Dillon adding her last touch.

research

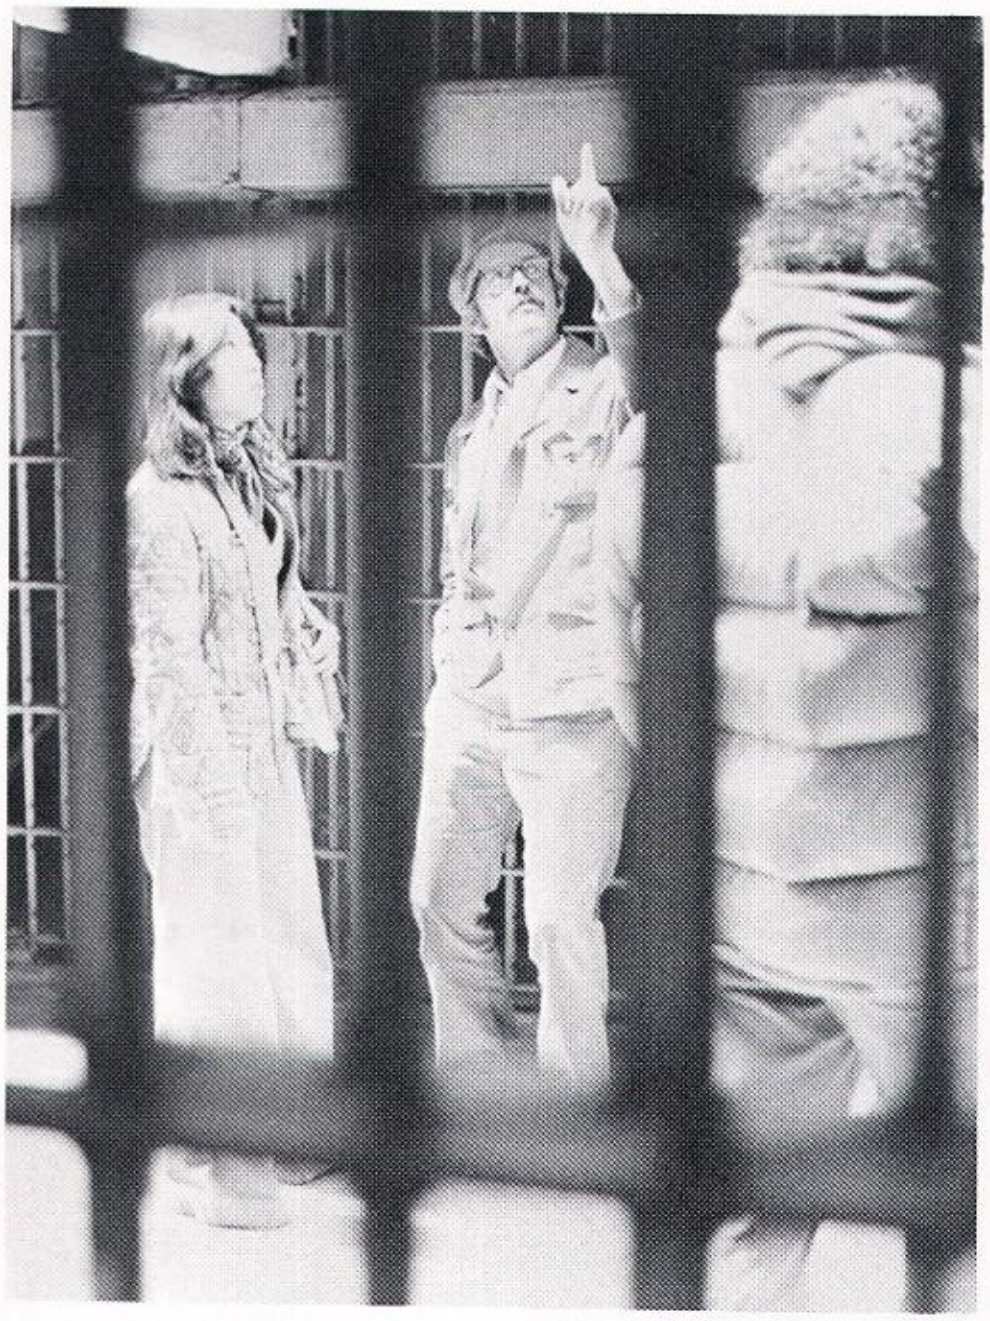
"S" stands for science at Galileo and it is one of the most popular departments at our school. The science department has over 1100 students taking one or more of a variety of classes from Biology, Physiology, Chemistry, Physics, Earth Science, and Marine Science.

The general purpose of the entire program is to provide students with a basic understanding of science before they leave high school. Many of our courses have no prerequisites so that students not majoring in science may still gain some appreciation and insight into the role of science in our daily lives.



1776 to 1976

social studies



Mr. McInerney explains to Ana Koc about the 3 story cells at Alcatraz.

Supervisorial candidate, Harvey Milk, explains politics as a Civics class watches intently.

The guys watch as a guide explains living conditions at Alcatraz.

One year of U.S. History and one year of Civics are required to graduate from high school. In U.S. History you learn many interesting facts, like, did you know that Ben Franklin made George Washington's teeth? Also, in Civics you can learn about Governor Brown driving a Plymouth and where the name "Watergate" came from. All in all we have good history classes and learn alot about the country in which we live.

driver training winner

Anthony LoGudie receives congratulations from Instructor Donald Byrd

Anthony LoGiudie was named winner of the 1976 all city skilled Driver competition. He topped 20 other finalists in the competition. Anthony won a new 1976 Volkswagon Rabbit for one full year, Courtesy of the Saltnes Volkswagon; Full automobile insurance coverage, courtesy of the Industrial Indemnity Insurance Company; $50.00 in gasoline and oil, courtesy of the Union Oil Company of California; a 21 inch loving cup trophy, provided by the California State Automobile Association and an-all-expense-paid trip to Memphis, Tennessee, to compete in the National Driver Education Contest.

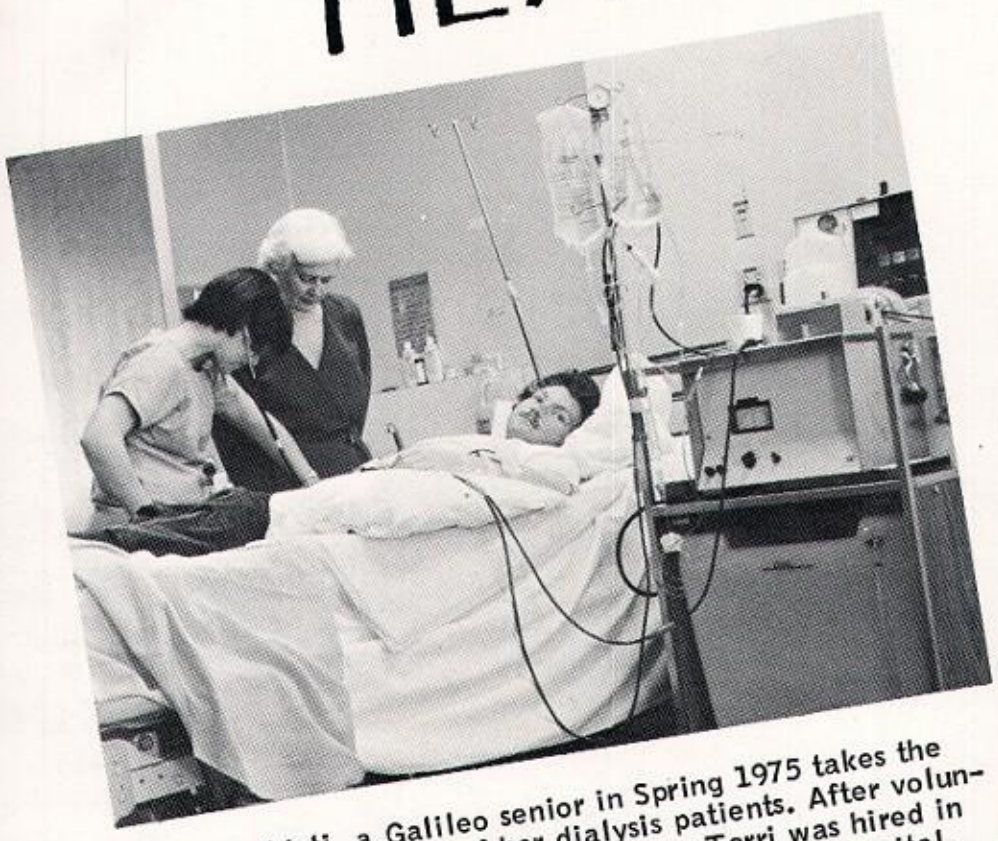
HEALTH CAREERS



Terri Cukjati, a Galileo senior in Spring 1975 takes the blood pressure of one of her dialysis patients. After volunteering through Health Career's class, Terri was hired in the summer as a staff member at Presbyterian Hospital.

Getting a paycheck for delivering "Tender Loving Care" ordered by the Veterinarian is truly a joyous experience. Elizabeth Maschal, a Galileo junior has "been doing what she loves to do . . . caring for animals for five hours every other day since Fall 1975."

The Health Career's class has been given every term since Spring 1974. It came into existance because of a belief that students should explore careers before high school graduation; because the Health Services have an ever-increasing need for qualified people, and because students have shown considerable interest in the field.

The program at Galileo gives the student a chance to explore both practical and academic aspects of the Health Service field. Students choose an area of interest and then work closely on a one-to-one basis with a person in that field. The current group of Gal students work in hospitals, clinics, pharmacies, etc. At the same time, various interest inventories are given and other evaluations take place. Many times recommendations and references from the superviser turn out to be the deciding factor when applying for entrance to college for a career.

Perhaps the most important benefit from the program may be the feeling of independence, worth and value to someone else and accomplishment and development of decision making ability.

marine science

The marine science coures at Galileo has gained the reputation of being one of the best in San Francisco, It deals with the biological and physical effects of the ocean and it's environment. Our school is fortunately located within walking distance of Aquatic Park.

The first semester deals with the physical effects of ocean and the second with environment, biological effects and marine life.

Field trips are used to the fullest during the course. The highlight of the year is a boat trip on the bay at which time many experiments are performed on marine life and the ocean itself.
